Jared Morrison, President
Rankin County Board of Supervisors
211 E. Government St., Suite A
Brandon, MS 39042

Dear Mr. Morrison:

Attached is a copy of the Rankin County School District board resolution requesting local funding for fiscal year 2022. The total funds necessary include $67,455,000 for general expenditures, $13,242,682 for bond payments and $4,409,124 for note payments. Based on our estimate and discussion with Mrs. Wanda Martin, the tax rate for general expenditures will remain at 44.25 mills and the total debt payment millage rate will remain at 11.53 mills. The debt payment millage rate consists of notes (2.88 mills) and bonds (8.65 mills). Therefore, the overall millage rate should remain at 55.78 mills. The district has included estimated delinquent taxes, penalties, and interest of approximately $1,500,000 in the total request. If your calculations do not agree with our estimates, please let us know as soon as possible.

Should you or any of the other members of the Board of Supervisors have questions regarding any aspect of the Rankin County School District, please feel free to contact us at your convenience.

Sincerely,

Sue Townsend

settlement that provides a specific monetary benefit to the Client, and if a credit is given the Client will pay 35% of that value, as received and not sooner as the contingency fee.

In the event that the attorney portion of the contingency fee exceeds previously paid attorney fees only, then the Client will receive a credit for the attorney fees paid, against the contingency, at the time that the contingency fee is paid. In the event that the contingency is less than the amount of the fees paid, no credit against fees paid will be given. Any credit will be for attorney fees only, and not costs.

Resnick & Louis makes no promises or guarantees. Resnick & Louis' comments about the outcome of the matter are expressions of opinion only. Any estimate of fees given by Resnick & Louis shall not be a guarantee. Actual fees may vary from estimates given.

APPLICANT REQUEST FORM

Background

Southern Tire Recycling LLC (STR) is a registered waste tire hauler in the State of Mississippi, Alabama, and Louisiana. STR has been in business for over 15 years. Currently, STR has service agreements with waste tire generators across Central and Southern Mississippi. We are also currently hauling and disposing of waste tires for 22 Counties, including Rankin County, throughout the State of Mississippi. STR is a Contractor for the Mississippi Department of Environmental Quality (MDEQ), for the clean-up and disposal of illegal waste tire dump sites throughout the State. Southern Tire Recycling has also operated a MDEQ approved Waste Tire Collection Site for over 9 years, located at 261 Walker Circle, in Richland Mississippi.

Daily Operation

The collection site currently allows Southern Tire Recycling, along with a few other commercial waste tire haulers, as well as, commercial waste tire generators, to transport small loads of waste tires into the collection site on small trailers, which are then loaded directly onto larger 53' semi-trailers. Once the semi-trailers are loaded to maximum capacity, the waste tires are being hauled out of state, for proper disposal and recycling.

Determination of Need

There is only one local waste tire processing facility located in Jackson, Mississippi. The next closest processing facility, located here in the State, is in Tupelo, Mississippi, which is too far away for us to transport tires economically. We have worked with the company in Jackson, Mississippi for the past 3 or 4 years. However, over the past year, the company located in Jackson has struggled to keep up with the growing demand, of disposing the quantity of waste tires, that we are transporting. At one time, the local company was accepting an average of 150-200 Tons of waste tires a week. Currently, there are weeks now, that we are not able to dispose of any tires at all here in the State of Mississippi.

At this time, we are being forced to haul almost all waste tires being collected, out of state, into Louisiana and Alabama. The out of state processing facilities, which we are currently using, are not only accepting waste tires from STR, but they are also trying to keep up with accepting tires from their local waste tire haulers.

Attachment: Vardoc Amendment to the Local Solid Waste Managemtn Plan - Tire Collection Facility (16509 : Various Documents)

In 2019, there were weeks we disposed of over 300 tons of waste tires per week. Now, there are weeks we struggled to dispose of only 100 tons in a week. We now have customers that we have worked with for many years, that we are unable to provide service for, due to the fact, that we are unable to dispose of the amount of waste tires being generated. We are also having calls weekly, from new customers, that we are being forced to turn away.

Our biggest problem is that there are limited waste tire processing facilities within a reasonable distance from our collection site. It is just simply not economically feasible, to haul the waste tires any farther away than we are currently hauling them at the present time.

This year we will be forced to begin processing a portion of the waste tires entering our collection site, to keep up with the growing demand of the waste tires that are being generated for disposal around the State.

Future Daily Plan of Operation

STR now plans on processing a portion of the waste tires that are currently passing through the collection facility. A portion of the tires currently arriving on short haul trailers will now be unloaded directly onto a conveyor belt to be processed as they are unloaded. The processed tires will then land onto another conveyor belt which will empty directly into a walking floor trailer or a dump trailer, to then be immediately transported to an authorized collection/processing facility for further processing and/or proper disposal. There will be no storage of processed tires at the facility. As soon as the walking floor trailer or dump trailer being used to transport the processed tires has reached the maximum loading capacity, the processed tires will be shipped. By allowing STR to process a portion of the waste tires entering the facility, it will lower the overall transportation cost by hauling almost twice the amount of processed tires versus the amount of whole tires. It will also open new avenues of disposal, which are desperately needed at this time. The tires entering the facility that are not processed will continue to be loaded directly onto the larger semi-trailers and hauled to an approved waste tire collection/processing facility for proper disposal as well.

Processing Equipment

Once STR has received approval from Rankin County Board of Supervisors and the Mississippi Department of Environmental Quality to process waste tires at the current waste tire collection facility, we will then set up the equipment for waste tire processing. (Please see specification sheets for the proposed equipment to be used for processing the tires attached.)

Re: 2021 Power-PRO™ Cot sole source information

To whom it may concern,

Stryker certifies that we are the sole manufacturer of Stryker's Power-PRO XT Cot (Model 6506). This correspondence is to inform you of the characteristics of the Power-PRO Cot. These characteristics can be broken down into two primary categories: **qualifications** and **ease of use**.

Qualifications:

- IPX6: The system is tested to withstand powerful water jets.
- IEC 60601-1 and IEC 60601-1-2: The Power-PRO XT Cot conforms to industry standards for mechanical and electrical safety for medical electrical devices, as well as electromagnetic compatibility and immunity.
- BS EN-1789:2007, clause 4.5.9 when used with Power-LOAD Cot Fastener and X-Restraints: This is a European dynamic crash test which subjects a 50th percentile dummy to nominal 10g deceleration for a minimum of 50ms. Following the test there shall be no sharp edges.
- Meets SAE J3027 dynamic crash test safety standards when used with Power-LOAD/Performance-LOAD Cot Fastener and X-Restraints.

Ease of use:

- The cot has a weight capacity of 700 lb.
- When unloading with the manual release handle, the cot utilizes hydraulic dampening. Thus, the cot will not abruptly jar the operator or patient.
- The battery is placed at the foot end of the stretcher.
- The cot legs power-retract in 3.5 seconds which speeds load time.
- The cot provides a load height of 36" and is operator adjustable to match the deck height of individual ambulances.
- The foot-end of the cot provides lifting bars and operator controls at two different heights, thus providing optimal ergonomics to most operator heights.
- The foot end of the cot contains a large battery indicator light which displays amber or green which indicates battery level. A warning is given by a flashing amber light, providing the operator the time to change the battery before full depletion of power.
- The Model 6506 has 6" x 2" sealed casters and bearings.
- The cot features a foot end mounted hourly usage meter. This tool can be used to determine the timing of preventative maintenance checks.
- The cot features powder-coating of the aluminum frame (including the patient handling surfaces) and sealed caster bearings, thus reducing aluminum oxidation throughout the cot.
- The cot is power washable.

U.S. GOVERNMENT/EDUCATION LICENSEE ADDENDUM TO TERMS OF SERVICE

This U.S. Government/Educations Licensee Addendum forms part of the LogMeIn Terms of Service Services (the "Terms"), which are available at https://www.logmeininc.com/legal/terms-and-conditions. Capitalized terms used in this Addendum that are not defined herein shall have the meanings given in the Terms. This Addendum may apply to government agencies and public education institutions located in the United States. LogMeIn acknowledges that statutes and regulations may sometimes require limitations to standard commercial software license agreements causing some provisions to become ineffective and inoperative, such as indemnities, commitments of funds from future appropriation years, dispute resolution, jurisdiction and the right to stop work. In such instances, LMI acknowledges that the Terms shall be superseded where, and to the extent, required by applicable law and regulation. More specifically, the sections of the Terms that may be added or superseded, in part or in whole, by such laws and regulations include:

1. **Section 2.4 Disputes; Delinquent Amounts** shall be amended to add the following sentence: Notwithstanding anything in this agreement to the contrary, Rankin County shall remit payment for services rendered hereunder pursuant to Miss. Code Ann. Section 31-7-305 (1972), as amended.

2. **Section 3.1. Term** shall be amended to remove any reference to "automatic renewal."

3. **Section 3.5. Termination for Convenience** shall be added to the Terms and state the following:
Customer may elect to terminate Customer's subscription and use of the Service at any time, for any reason or for no reason, at Customer's convenience. However, Customer understands and agrees that in the event of such a termination for convenience, Customer shall not be entitled to receive any refund and any fees Customer may have paid to LogMeIn in advance are nonrefundable.

4. **Section 7. Indemnification** shall be deleted to remove any reference to "Indemnification" obligations of the Customer including reference to any indemnification obligation made in **Section 8.2 Limitation on Amount of Liability**.

5. **Section 9.5. No Class Actions** shall be removed in its entirety.

6. **Section 9.8. Recording** shall be deleted and replaced with the following: **Recording.** Certain Services provide functionality that allows you to record audio and data shared during sessions. You are solely responsible for complying with all applicable laws in the relevant jurisdictions while using recording functionality. We disclaim all liability for your recording of audio or shared data.

7. **Section 9.12. Entire Agreement; Order of Precedence** shall be amended to add the following sentence. Notwithstanding anything in this agreement to the contrary, the parties acknowledge that the hard copy, fully executed version of the agreement contained in the Minutes of the Rankin County Board of Supervisors shall take precedence over any conflicting term or condition wherever set forth in any order or supplemental agreement referenced in the agreement unless such conflicting term or condition is mutually agreed upon in writing by the parties."

8. **Section 9.13. General Terms** shall be deleted in its entirety and replaced with the following: If any term of this Agreement is not enforceable, this will not affect any other terms. Both parties are independent contractors and nothing in this Agreement creates a partnership, agency, fiduciary or employment relationship between the parties. No person or entity not a party to the Agreement will be a third party beneficiary. Our authorized distributors do not have the right to modify the Agreement or to make commitments binding on us. Failure to enforce any right under the Agreement will not waive that right. Unless otherwise specified, remedies are cumulative. The Agreement may be executed by electronic signature and in one or more counterparts. No party will be responsible for any delay or failure to perform under the Agreement due to force majeure events (e.g. natural disasters; terrorist activities, activities of third party service providers, labor disputes; and acts of government) and acts beyond a party's reasonable control, but only for so long as those conditions persist.

9. **Section 9.15. Contracting Party, Choice of Law and Location for Resolving Disputes** shall be revised to designate the Customer's residing state the applicable choice of law, while remaining silent on the issue of venue.

10. **Section 9.16. US Government Users.** The Services, software, websites, and written documentation provided by LogMeIn qualify as "commercial items" as defined at 48 C.F.R. 2.101 and 48 C.F.R. 12.212. All Government users acquire the Services, software, websites, and written documentation provided by LogMeIn with only those rights herein that apply to non-governmental customers. Use of either the Services, software, websites, written documentation provided by LogMeIn, or any combination thereof constitutes agreement by the Government that the Services, software, websites, and written documentation provided by LogMeIn are "commercial computer software" and "commercial computer software documentation," and constitutes acceptance of the rights and restrictions herein.

For the avoidance of doubt, nothing in the Terms or this Addendum shall provide LogMeIn with any rights to publicly reference or otherwise utilize Customer's name or logo for marketing purposes.

AMENDMENT NO. 1 TO NON-EXCLUSIVE CONCESSION AGREEMENT FOR ON-AIRPORT AUTOMOBILE RENTAL OPERATIONS BETWEEN JACKSON MUNICIPAL AIRPORT AUTHORITY AND ENTERPRISE LEASING COMPANY-SOUTH CENTRAL, LLC

THIS AMENDMENT NO. 1 TO THE NON-EXCLUSIVE CONCESSION AGREEMENT FOR ON-AIRPORT AUTOMOBILE RENTAL OPERATIONS (the "Amendment") is made and entered into by and between the Jackson Municipal Airport Authority ("JMAA"), a municipal airport authority organized and existing under the laws of the State of Mississippi, Section 61-3-1 et seq., Mississippi Code of 1972, as amended, and Enterprise Leasing Company-South Central, LLC ("Concessionaire"), a limited liability company organized and existing under the laws of the State of Delaware and authorized to do and doing business in the State of Mississippi.

B. JMAA and the Concessionaire now desire to amend the Agreement subject to, and only to the extent of, the terms and conditions set forth in this Amendment.

AGREEMENT:

In recognition of the foregoing recitals and in consideration of the mutual covenants and agreements contained herein and for other good and valuable consideration, the receipt and sufficiency of all of which are hereby acknowledged, the parties hereto agree to amend the Agreement, as follows:

3) Amendment of Article 1 of the Agreement. Section 1.1(z) of "Article 1. Definitions" of the Agreement is hereby replaced with the following:

4) Amendment of Article 4 of the Agreement. Section 4.1(b)(iii) of "Article 4. Rights and Privileges" of the Agreement is hereby deleted and replaced with the following:

"(iii) Overflow Lot Premises. Concessionaire shall have the non-exclusive right to use approximately 70 parking spaces within the Overflow Lot at JAN, as more specifically indicated on Exhibit A. Use of the Overflow Lot Premises by Concessionaire shall be on a "first come" basis, without assignment by JMAA of any particular area or any particular number of spaces to Concessionaire. JMAA reserves the right to assign spaces either (i) based on market share at JAN or (ii) based on such other criteria as JMAA shall deem appropriate."

5) Amendment of Article 5 of the Agreement. Section 5.1(f) of "Article 5. Rentals, Rental Fees, and Other Charges" of the Agreement is hereby deleted and replaced with the following:

6) Amendment of Article 6 of the Agreement. Section 6.3 of "Article 6. Customer Facility Charge" of the Agreement is hereby deleted and replaced with the following:

"6.3 Use of CFCs. CFC revenues received by JMAA shall be applied in the following order of priority:

a) First, to pay debt service on the Series 2005 Bonds; then,

b) To satisfy debt service coverage requirements (including any required reserves) relating to the Series 2005 Bonds; then,

c) To subsidize rents paid by Concessionaire and the other automobile rental concessionaires on the Ready/Return Premises, Terminal Premises, and Overflow Lot Premises; then,

d) To fund a repair and replacement reserve fund for the Consolidated Service Facility in such amounts as JMAA shall determine to be reasonable; then,

e) To payment of costs of projects of general benefit to On-Airport Automobile Rental Operations Concessionaires at JAN."

7) Amendment of Article 10 of the Agreement. "Article 10. Non-Discrimination" of the Agreement is hereby amended to include an addition Section entitled "10.6. General Civil Rights Provisions," as follows:

Section "10.6. General Civil Rights Provisions." The (tenant/concessionaire/lessee) agrees to comply with pertinent statutes, Executive Orders and such rules as are promulgated to ensure that no person shall, on the grounds of race, creed, color, national origin, sex, age, or disability be excluded from participating in any activity conducted with or benefiting from Federal assistance. If the (tenant/concessionaire/lessee) transfers its obligation to another, the transferee is obligated in the same manner as the (tenant/concessionaire/lessor). This provision obligates the (tenant/concessionaire/lessee) for the period during which the property is owned, used or possessed by the (tenant/concessionaire/lessee) and the airport remains obligated to the Federal Aviation Administration. This provision is in addition to that required by Title VI of the Civil Rights Act of 1964.

8) No Implied Modification. Each of the terms and conditions of the Agreement shall otherwise remain in full force and effect, except as specifically modified by this Amendment. Moreover, this Amendment is wholly incorporated into and made a part of the Agreement.

IN WITNESS WHEREOF, the parties hereto have executed this Amendment to Non-exclusive Concession Agreement for On-Airport Automobile Rental Operations effective as of 12:01 a.m. October 1, 2018.

AMENDMENT NO. 1 TO NON-EXCLUSIVE CONCESSION AGREEMENT FOR ON-AIRPORT AUTOMOBILE RENTAL OPERATIONS BETWEEN JACKSON MUNICIPAL AIRPORT AUTHORITY AND ENTERPRISE LEASING COMPANY-SOUTH CENTRAL, LLC

THIS AMENDMENT NO. 1 TO THE NON-EXCLUSIVE CONCESSION AGREEMENT FOR ON-AIRPORT AUTOMOBILE RENTAL OPERATIONS (the "Amendment") is made and entered into by and between the Jackson Municipal Airport Authority ("JMAA"), a municipal airport authority organized and existing under the laws of the State of Mississippi, Section 61-3-1 et seq., Mississippi Code of 1972, as amended, and Enterprise Leasing Company-South Central, LLC ("Concessionaire"), a limited liability company organized and existing under the laws of the State of Delaware and authorized to do and doing business in the State of Mississippi.

RECITALS:

A. JMAA and the Concessionaire entered into a Non-Exclusive Concession Agreement for On-Airport Automobile Rental Operations (the "Agreement") with a term of five (5) years, commencing at 12:01 a.m. on October 1, 2013 and ending at 12:00 p.m. on September 30, 2018.

B. JMAA and the Concessionaire now desire to amend the Agreement subject to, and only to the extent of, the terms and conditions set forth in this Amendment.

AGREEMENT:

In recognition of the foregoing recitals and in consideration of the mutual covenants and agreements contained herein and for other good and valuable consideration, the receipt and sufficiency of all of which are hereby acknowledged, the parties hereto agree to amend the Agreement, as follows:

4) Amendment of Article 4 of the Agreement. Section 4.1(b)(iii) of "Article 4. Rights and Privileges" of the Agreement is hereby deleted and replaced with the following:

"(iii) Overflow Lot Premises. Concessionaire shall have the non-exclusive right to use approximately 70 parking spaces within the Overflow Lot at JAN, as more specifically indicated on Exhibit A. Use of the Overflow Lot Premises by Concessionaire shall be on a "first come" basis, without assignment by JMAA of any particular area or any particular number of spaces to Concessionaire. JMAA reserves the right to assign spaces either (i) based on market share at JAN or (ii) based on such other criteria as JMAA shall deem appropriate."

5) Amendment of Article 5 of the Agreement. Section 5.1(f) of "Article 5. Rentals, Rental Fees, and Other Charges" of the Agreement is hereby deleted and replaced with the following:

"(f) Overflow Lot Premises. For the use of the Overflow Lot Premises, Concessionaire shall pay, in lawful money of the United States of America, rentals to JMAA at the rate of $.1167 per square foot per annum, which totals $2,310.66 for use of the Overflow Lot Premises per annum. Concessionaire shall pay the rentals for the Overflow Lot Premises in equal monthly installments of $192.56, due and payable on the first business day of each calendar month of the Term of this Agreement. To the extent funds are available under Section 6.3 of the Agreement, JMAA will use CFC revenues to subsidize rentals paid by Concessionaire under this Section 5.1(f) in an effort to maintain a net rental from Concessionaire of not more than $.0834 per square foot per annum."

6) Amendment of Article 6 of the Agreement. Section 6.3 of "Article 6. Customer Facility Charge" of the Agreement is hereby deleted and replaced with the following:

"6.3 Use of CFCs. CFC revenues received by JMAA shall be applied in the following order of priority:

a) First, to pay debt service on the Series 2005 Bonds; then,

b) To satisfy debt service coverage requirements (including any required reserves) relating to the Series 2005 Bonds; then,

c) To subsidize rents paid by Concessionaire and the other automobile rental concessionaires on the Ready/Return Premises, Terminal Premises, and Overflow Lot Premises; then,

d) To fund a repair and replacement reserve fund for the Consolidated Service Facility in such amounts as JMAA shall determine to be reasonable; then,

e) To payment of costs of projects of general benefit to On-Airport Automobile Rental Operations Concessionaires at JAN."

7) Amendment of Article 10 of the Agreement. "Article 10. Non-Discrimination" of the Agreement is hereby amended to include an addition Section entitled "10.6. General Civil Rights Provisions," as follows:

Section "10.6. General Civil Rights Provisions." The (tenant/concessionaire/lessee) agrees to comply with pertinent statutes, Executive Orders and such rules as are promulgated to ensure that no person shall, on the grounds of race, creed, color, national origin, sex, age, or disability be excluded from participating in any activity conducted with or benefiting from Federal assistance. If the (tenant/concessionaire/lessee) transfers its obligation to another, the transferee is obligated in the same manner as the (tenant/concessionaire/lessor). This provision obligates the (tenant/concessionaire/lessee) for the period during which the property is owned, used or possessed by the (tenant/concessionaire/lessee) and the airport remains obligated to the Federal Aviation Administration. This provision is in addition to that required by Title VI of the Civil Rights Act of 1964.

8) No Implied Modification. Each of the terms and conditions of the Agreement shall otherwise remain in full force and effect, except as specifically modified by this Amendment. Moreover, this Amendment is wholly incorporated into and made a part of the Agreement.

IN WITNESS WHEREOF, the parties hereto have executed this Amendment to Non-exclusive Concession Agreement for On-Airport Automobile Rental Operations effective as of 12:01 a.m. October 1, 2018.

APPLICATION OF US FOODS, INC., AS A DISTRIBUTOR, FOR A PRODUCTS EXEMPTION FROM AD VALOREM PERSONAL PROPERTY TAXES, AS AUTHORIZED BY § 27-31-7 OF THE MISSISSIPPI CODE OF 1972, AS AMENDED

TO THE HONORABLE BOARD OF SUPERVISORS
OF RANKIN COUNTY, MISSISSIPPI:

COMES NOW US Foods, Inc. ("**US Foods**"), by and through Andrew Shelburne, its Vice President Corporate Taxation, and files, in triplicate and under oath, this its written Application for exemption ("**Products Exemption**") from ad valorem personal property taxation ("**Taxes**") pursuant to § 27-31-7 of the Mississippi Code of 1972, as amended ("**Code**"), and respectfully represents unto the Honorable Board of Supervisors ("**Board**") of Rankin County ("**County**"), State of Mississippi ("**State**"), as follows:

I.

US Foods is a Delaware corporation which is duly qualified to do and is doing business at its warehousing/distribution enterprise located at 3939 Underwood Drive in the City of Flowood in the County (the "**Warehouse**"). US Foods operates the Warehouse as a private storage facility for the receipt, handling, processing, storage, warehousing, distribution and shipment by US Foods of its personal property in the form of its finished goods inventory ("**Finished Goods Inventory**") which has been transferred and consigned to such Warehouse for storage and handling (collectively, the "**Enterprise**"). The Enterprise is part of US Foods' institutional broadline foodservice distribution business, distributing food and related products nationwide to its customers, which include restaurants, health care establishments, cafeterias, schools, and colleges.

II.

US Foods previously operated its warehousing/distribution enterprise at 1125 Weems Street in the City of Pearl ("**Prior Facility**"), but desired to expand its warehousing/distribution capacity through the construction of a new warehousing/distribution facility. As inducement for US Foods to remain in the County and to relocate and expand its warehousing/distribution enterprise in the City of Flowood in the County, US Foods and the County, along with the City of Flowood, entered into that certain Development Agreement dated December 14, 2009, with respect to the Warehouse, which was amended by Addendum No. 1, dated December 14, 2009, and Addendum No. 2, dated December 15, 2010 (collectively the "**Development Agreement**"), as authorized on behalf of the County in the minutes of the Board, copies of which are on file and of record in the minutes of the Board.

III.

Paragraph E of the Introductory Clauses of the Development Agreement reads as follows:

> E. Recognizing that USF [US Foods] could locate the USF Project in other areas outside the Public Entities [the County and City] and desiring to encourage USF to locate the USF Project in the Public Entities:
>
> (i) Since USF's ability to use the Property [the approximately 40 acres parcel of land located in the City] and to construct and properly operate the USF Project requires that certain transportation and utility improvements be made to the roads and utility facilities surrounding and serving the Property, the City has agreed to perform such improvements in accordance with the applicable terms and conditions of this Agreement; and
>
> (ii) Since USF has requested certain ad valorem tax incentives from the Public Entities in order to make the USF Project more economically viable, the Public Entities have agreed to grant such ad valorem tax incentives to USF in accordance with the applicable terms and conditions of this Agreement.

IV.

The County declared its intention and agreement to grant the Products Exemption to US Foods upon the future development and construction of the Warehouse in the County as set forth in Section 4.4 of the Development Agreement, which reads as follows:

> 4.4 **Products Exemption.** The Public Entities [the County and City] each agree to approve and grant to USF [US Foods] the Property Tax exemption authorized by § 27-31-7 of the Code ("Products Exemption") from all Property Taxes on the Inventories of USF located at the USF Project (*i.e.*, in effect, only that portion of the USF's Inventories not shipped outside the State) for ten (10) years upon the submission by USF of proper applications pursuant to applicable State law.

V.

The Products Exemption is set forth in § 27-31-7 of the Code (the "**Statute**"), which states that:

> The board of supervisors of any county or the governing authority to any municipality is hereby authorized and empowered, in its discretion, to exempt from ad valorem taxation, excepting ad valorem taxes for school district purposes, all or any portion of the value of the products, including finished goods, owned by or remaining in the hands of any manufacturer, or its subsidiary, or any distributor or wholesale merchant, located within such county or municipality. The time of such exemption shall be for a period not to exceed a total of ten (10) years, which

Attachment: Ad Valorem Tax Exemption - US Foods Inc (DENIED) (16517 : Request Approval of Ad Valorem Tax Exemption Request for 2021

shall commence from the date such exemption is granted. Any request for an exemption must be made in writing to the board of supervisors or the municipal governing authority.

VI.

Due to a national economic recession, the development of the Warehouse was delayed for several years. Then, in April of 2014, the Prior Facility was destroyed by a tornado, necessitating the advancement of the development of the Warehouse. Construction of the Warehouse began in August 2014 and was completed on June 30, 2015, upon which US Foods commenced operation of its Enterprise, including ramping up its employment at the Warehouse.

VII.

On June 1, 2016, pursuant to Section 4.4 of the Development Agreement and applicable State law, US Foods filed an Application for a Products Exemption from Ad Valorem Personal Property Taxes requesting that the Board, pursuant to the provisions of the Statute and the Development Agreement, grant a Products Exemption from all Taxes, excepting School Taxes, otherwise imposed by the County on the In-State Inventory of US Foods located at the Warehouse for the ten (10) year period beginning January 1, 2016 and ending December 31, 2025 (the **"2016 Application"**). Pursuant to Section 4.4 of the Development Agreement, the submission of the 2016 Application was the only action necessary by US Foods to obtain the Products Exemption. However, the 2016 Application was not acted upon by the Board and US Foods has yet to receive the benefits of the Products Exemption that the County agreed to grant in Section 4.4 of the Development Agreement.

VIII.

The County acknowledged and agreed in Section 4.9 of the Development Agreement that the Warehouse satisfies all of the conditions necessary under the County's tax policies for the Products Exemption to be granted. This section reads, in pertinent part, as follows:

> 4.9 **Tax Policies.** The County hereby acknowledges and agrees that the USF Project satisfies all of the conditions necessary under the County's "Economic Development and Tax Incentives" Policy dated August 09, 1993, as currently amended through September 15, 2005 ("County Policy") in order for USF, the Taxable Improvements/Property and the Inventories to be granted all of the various ad valorem tax exemptions which the County has agreed to grant pursuant to Sections 4.1-4.4 and 4.7 (collectively, the "Exemptions") and that the granting of the Exemptions by the County will be subject to the terms of the County Policy irrespective of any subsequent additional amendments thereto or replacement thereof.

Attachment: Ad Valorem Tax Exemption - US Foods Inc (DENIED) (16517 : Request Approval of Ad Valorem Tax Exemption Request for 2021

IX.

Since US Foods' prior application was not acted upon and it has not yet received the benefit of the Products Exemption as contemplated under the Development Agreement, US Foods is now requesting Board approval of the Products Exemption.

X.

A portion of all of US Foods's Finished Goods Inventory handled by the Warehouse is transferred to such Warehouse for storage and handling in transit to a final destination outside the State (**"Out-of-State Inventory"**). US Foods has previously applied to the County for a Free Port Warehouse Privilege License by filing its application with the County, both in order to qualify under the definition of a "free port warehouse" as set forth in § 27-31-51 of the Code and thus to operate the Warehouse as a licensed "free port warehouse" according to the provisions of §§ 27-31-51, *et seq.*, of the Code and to be granted an exemption from Taxes under §§ 27-31-51, *et seq.*, of the Code for its Out-of-State Inventories ("**Free Port Exemption**").

XI.

Nevertheless, as authorized by the Statute and contemplated by the Development Agreement and in addition to all other exemptions granted under the laws of the State, all of US Foods's Finished Goods Inventory that is shipped in-state ("**In-State Inventory**") may, in the discretion of the Board, be exempt from all Taxes, except Taxes for school district purposes ("**School Taxes**"), imposed thereon by the County under the Products Exemption.

XII.

Pursuant to the Statute, the Board has the discretion to exempt from ad valorem taxation, except for School Taxes, all or any portion of the value of the products, including finished goods, remaining in the hands of any distributor or wholesale merchant, located within the County for a period not exceeding a total of ten (10) years. As stated above, US Foods is a foodservice distributor operating the Warehouse as a private storage facility for the receipt, handling, processing, storage, warehousing, distribution and shipment by US Foods of its personal property in the form of its Finished Goods Inventory. While housed at the Warehouse, such Finished Goods Inventory is in and remains in the hands of US Foods.

XIII.

On January 1, 2020, the aggregate Finished Goods Inventory of US Foods in the Warehouse totaled approximately Fifteen Million One Hundred Thirteen Thousand Eighty-Three Dollars and Zero Cents ($15,113,083.00) in true value. US Foods estimates that approximately 48.93009% or Seven Million Three Hundred Ninety Four Thousand Eight Hundred Forty-Five Dollars and Zero Cents ($7,394,845.00) of such Finished Goods Inventory will be Out-of-State Inventory eligible for the Free Port Exemption previously granted by the County and that approximately 51.0699% or Seven Million Seven Hundred Eighteen Thousand Two Hundred Thirty-Eight Dollars and Zero Cents ($7,718,238.00) of such Inventories will be In-State Inventory eligible for the Products Exemption applied for herein.

Attachment: Ad Valorem Tax Exemption - US Foods Inc (DENIED) (16517 : Request Approval of Ad Valorem Tax Exemption Request for 2021

XIV.

US Foods has met and exceeded both the job creation and investments requirements set forth in the Development Agreement. As reflected in the 2016 Application, as of May 20, 2016, the Enterprise directly provided one hundred ninety-three (193) full-time jobs in the County having aggregate annual compensation (excluding benefits) of approximately Ten Million Two Hundred Seven Thousand Six Hundred Seventy-Six Dollars and Zero Cents ($10,207,676.00).

XV.

The Enterprise continues to provide substantial employment in the County. As of December 31, 2019, the Enterprise directly provided two hundred seventy (270) full-time jobs in the County having aggregate annual compensation (excluding benefits) of approximately Sixteen Million Nine Hundred Fifty-Eight Thousand Seven Hundred Sixty-Eight Dollars and Zero Cents ($16,958,768.00). As of November 13, 2020, the Enterprise was directly providing two hundred fifty-six (256) full-time jobs in the County having aggregate compensation (excluding benefits) to date for 2020 of Twelve Million Eight Hundred Seventy-Five Thousand Two Hundred Nineteen Dollars and Zero Cents ($12,875,219.00) (the "**US Foods Jobs/Payroll**"). As shown by comparing the current US Foods Jobs/Payroll to the numbers provided in the 2016 Application, the Enterprise has significantly increased the number of full-time jobs and aggregate annual compensation directly provided in the County since the 2016 Application was filed, thereby confirming US Foods's dedication to providing gainful employment to the citizens of the County.

XVI.

In addition, the Enterprise indirectly resulted in the creation and preservation of other ancillary jobs in the County, resulting in an additional positive indirect economic benefit to the County (together with the US Foods Jobs/Payroll, collectively the "**County Jobs/Payroll**"), through which US Foods has made and will continue to make a major contribution and commitment to the economic development of the County through the location of the Enterprise in the County (together with the County Jobs/Payroll, the "**Substantial Economic Impact**").

XVII.

US Foods is operating the Enterprise in the County which is and will be warehousing the Finished Goods Inventory of US Foods at the Warehouse in the County, is creating and maintaining the County Jobs, and, therefore, has made and will continue to make a Substantial Economic Impact to the present and future economic development of the County.

XVIII.

Therefore, pursuant to the provisions of the Statute and the Development Agreement, US Foods respectfully requests that the Board grant to US Foods a Products Exemption from all Taxes, excepting School Taxes, otherwise imposed by the County on such In-State Inventory of US Foods located in the Warehouse.

Attachment: Ad Valorem Tax Exemption - US Foods Inc (DENIED) (16517 : Request Approval of Ad Valorem Tax Exemption Request for 2021

XIX.

The maximum term of the Products Exemption under the Statute is ten (10) years ("**Term**"). Therefore, US Foods respectfully requests that the Board, pursuant to the provisions of the Statute and the Development Agreement, grant such Products Exemption from all Taxes, excepting School Taxes, otherwise imposed by the County for the Term, with such Products Exemption to begin January 1, 2021 ("**Commencement Date**") and to continue for the Term thereafter until December 31, 2030 ("**Termination Date**").

XX.

The County's agreement to grant the Products Exemption to US Foods pursuant to the Statute under Section 4.4 of the Development Agreement constituted an inducement to US Foods upon which it relied, and thus played a significant role in, US Foods's decision to relocate and expand the Enterprise within the County, and sufficient consideration in the form of the Substantial Economic Impact and certain other good and valuable nonmonetary consideration ("**Consideration**") have been and will be received by the County from US Foods to support the granting of the Products Exemption by the County.

XXI.

The Board is authorized and empowered by the provisions of the Statute to grant a Products Exemption to US Foods with respect to the In-State Inventory of US Foods that is and will be located in the Warehouse within the County.

WHEREFORE, PREMISES CONSIDERED, US Foods prays (1) that this Application be received, filed, reviewed and approved by the Board Attorney, Rankin First ("**Developer**"), the Tax Assessor of Rankin County ("**Assessor**"), and any and all other appropriate County authorities, and then placed in line for consideration on the agenda of the appropriate Board meeting; and (2) that, upon its approval of this Application, the Board will, in recognition of the above premises, the recommendation of the Developer, and the Consideration, spread upon its Minutes an order/resolution which:

(A) Finds that, pursuant to the Statute, US Foods is eligible for the Products Exemption from such Taxes, excepting School Taxes, imposed by the County on its In-State Inventory located in the Warehouse, in an amount annually to be determined by the Assessor, as provided by State law;

(B) Finds that the Enterprise has and will continue to provide employment and a payroll in the County and that the Board should acknowledge US Foods' Substantial Economic Impact to the County by exercising its discretionary authority to grant such Products Exemptions to US Foods as provided in the Development Agreement;

(C) Finds that the financial ability, technical qualifications, and business experience of US Foods is such that the operation of the Enterprise has and will continue

Attachment: Ad Valorem Tax Exemption - US Foods Inc (DENIED) (16517 : Request Approval of Ad Valorem Tax Exemption Request for 2021

to promote the industrialization of the County and State, has and will continue to supply employment to the citizens of the County and State, and has and will continue to promote the development of the County and surrounding community; and that the Board Attorney, Developer, and any and all other appropriate County authorities have reviewed and approved this Application of US Foods; that the Assessor has filed the Tax Assessor Position Statement with the Board; and that the Developer has recommended to the Board that the Products Exemption requested by US Foods in this Application for its In-State Inventory should be granted;

(D) Finds that the present and future health, safety, convenience, prosperity, pursuit of happiness and of gainful employment, public interest, and general welfare of the citizens of the County necessitate, as a public purpose, that the County continue to encourage a program of economic development and expansion in order to further both the present and future long-term economic development of the County through the improvement of its tax base by attracting and assisting enterprises providing employment to its citizens, through the approval of exemptions to assist businesses which are deemed necessary or desirable for the economic development and advancement of the County;

(E) Finds that the Board recognizes and acknowledges that the Products Exemption available to US Foods and contemplated by the Development Agreement constituted an inducement to US Foods and thus played a significant role in US Foods' decision to relocate and expand the Enterprise in the County and that, in order to promote the economic development of the County so as to provide additional gainful employment for its citizens and to satisfy the County's obligations to US Foods under the Development Agreement with respect to the Products Exemption, the Board should grant the Products Exemption to US Foods for its In-State Inventory;

(F) Finds that US Foods is eligible for and, pursuant to the Development Agreement, entitled to the Products Exemption from all Taxes, excluding School Taxes, imposed by the County on its In-State Inventory located in the Warehouse, in an amount to be determined annually by the Assessor, as provided by State law, beginning with the Commencement Date and continuing for the Term until the Termination Date;

(G) Finds that this Application for the Products Exemption submitted by US Foods, as provided in the Development Agreement and by State law and pursuant to the Statute, should be approved and that the Board, does, therefore, desire, on behalf of the County, to grant the Products Exemption to US Foods in accordance with the Development Agreement, beginning as of the Commencement Date and continuing for the Term until the Termination Date;

(H) Approves this Application and grants the Products Exemption sought herein from all Taxes, excluding School Taxes, to US Foods with respect to its In-State Inventory at the Warehouse, beginning with the Commencement Date and continuing for the Term until the Termination Date, pursuant to the Statute and Development Agreement;

(I) Requests that the Assessor take all actions in preparation of the tax rolls necessary and appropriate to implement such Products Exemption granted to US Foods beginning on the Commencement Date, and continuing for the Term until the Termination Date, including making appropriate notations on the tax rolls so that the In-State Inventory of US Foods will be treated as provided for in the resolution/order of the Board approving this Application in accordance with the Development Agreement; and

(J) Directs the Clerk of the Board to record this Application, together with a copy of the order/resolution of the Board approving this Application, in the Minutes of the Board in a book kept in the Clerk's office for such purposes and to forward a certified transcript of such approval by the Board of this Application for the Products Exemption, including a copy of the order/resolution approving this Application, to the Assessor.

RESPECTFULLY SUBMITTED, on this the 13th day of January, 2021.

Tax Exempt Broadband Assets

Dear Board of Supervisors,

Per your request, please find attached a detailed list of assets identified by our Network Engineers as broadband equipment, reported by the above referenced companies doing business as Verizon Wireless in the state of Mississippi. Please note that as our Network technology continues to rapidly evolve as with the roll out of VoLTE, 5G, etc., and with each generation having faster speeds and lower latency, our broadband exemption will continue to increase.

Pursuant to MS sec 57-87-7, these assets "shall be exempt from ad valorem taxation for a period of ten (10) years after the date such equipment is placed in service." We have listed these assets on our personal property renditions as tax exempt supplementary information.

Should you have any questions or require additional details please do not hesitate to contact me.

Thank you in advance for your assistance in this matter.

Sincerely,

AnnMarie MacKenzie

TK Elevator performs all work covered by this Agreement in accordance with the version of ASME A17.1 that is, according to the relevant authority having jurisdiction, applicable to the Unit(s) at the time the Agreement is first fully executed by both Parties. Our MCP incorporates TK Elevator's Basic Elevator and Escalator Procedures Manual listing the processes we follow when performing those maintenance, repair, replacement and testing services that are specifically described as included in this Agreement. Our MCP also includes TK Elevator's Maintenance Tasks & Records documentation to record the performance of those tasks. Should your Unit(s) require any safety tests as mandated by any applicable law and/or code on the commencement date of this Agreement, TK Elevator assumes no responsibility for the day-to-day operation of the governor or safeties on applicable traction elevators, or the hydraulic system on applicable hydraulic elevators under the terms of this Agreement until the test has been completed and the Unit has passed. Should the respective Unit fail any of those tests, it shall be solely your responsibility to make necessary repairs and place the Units in a condition that we deem acceptable for further coverage under the terms of this Agreement. Because the performance of any safety test places the Unit under extreme conditions that are outside of the Unit's normal operating parameters, you agree that TK Elevator shall not be liable for any damage to the building structure or the Unit(s) resulting from the performance of any safety tests we perform at any time under this Agreement.

Should your jurisdiction require the presence of either the applicable authority having jurisdiction or a third party witness at the time of testing, you agree to pay for any costs of that individual along with any inspection/coordination fees.

Firefighters' Service Testing
Should your Unit(s) be equipped with a phase I and phase II firefighters' service feature, all testing, record-keeping and record storage obligations associated with that feature that are required by any applicable law or code are expressly

MAX - Digital Maintenance

MAX is a cloud-based Internet of Things ("IOT") platform that we, at our election, may connect to your Unit(s) by installing a remote-monitoring device (a "Device"). Purchaser consents and authorizes TK Elevator to (1) access Purchaser's premises to install a Device to the Unit(s) and thereafter maintain and/or repair the Device(s) and (2) to collect, store, maintain, own, use, delete, and/or destroy any or all of the data generated by the Device(s). Any Device, once installed, is not intended, nor should it be considered, as a fixture. Instead, TK Elevator shall retain the right to remove the Device from any Unit(s) and/or cease any data collection and/or analysis at any time at its sole discretion. Moreover, TK Elevator shall retain the exclusive right and ability to, at its sole discretion, remove, delete and/or destroy all associated data generated from the Device(s). Because the Device contains trade secrets belonging to TK Elevator and is being installed for the sole use and benefit of our personnel, Purchaser agrees not to permit Purchaser's own personnel or any third parties to use, access, tamper with, relocate, copy, alter, destroy, disassemble or reverse engineer the Device or its data. The installation of any Device on a Unit shall not confer any rights or operate as an assignment or license to you of any patents, copyrights or trade secrets with respect to the Device and/or any software contained or embedded therein or that it utilizes/utilized in connection with the collection, monitoring and/or analysis of data.

With a MAX device connected to your equipment, at no additional charge, information obtained via machine learning may be sent to our technicians to promote early diagnosis, faster fixes and reduced downtime.

TK Elevator provides a web-based customer portal (the "CP") and mobile application (the "App") which, following the effective date of this Agreement, may contain certain maintenance and service call data associated with the Unit(s). To the extent applicable, TK Elevator will provide Purchaser with a user name and password to access the CP and App platforms. Purchaser shall, at its sole cost, provide and ensure the functioning integrity of its own hardware, software and internet connection necessary to access the CP and App. To the extent applicable, TK Elevator reserves the right to restrict Purchaser's access to the CP and App if any of Purchaser's accounts with TK Elevator has an outstanding unpaid balance greater than 30 days or in the event of anticipated or pending litigation of any kind. TK Elevator reserves the right to discontinue the CP and App altogether at its sole discretion and without notice to Purchaser and Purchaser expressly agrees to release TK Elevator from any and all claims of any type or kind arising out of or related to that discontinuation.

We will also include telephone monitoring on all Units maintained under this Agreement that have operational telephone equipment capable of placing a call to that call center. Depending on the nature of the call and circumstances, TK Elevator's operators can call one or more of the following: Purchaser's Designated Contacts set forth below; Local Emergency Services at phone numbers provided by Purchaser below; and/or a local TK Elevator service technician to be dispatched to the location of the equipment. Calls cannot be placed to "9-1-1" as the centralized TK Elevator Communications call center does not have dialing access to local "9-1-1" numbers.

This Phone Monitoring Service specifically excludes any maintenance, repair or replacement of any type or kind of the Purchaser's telephone or other communication equipment. The Purchaser retains exclusive possession and control of its telephone and other communication equipment and is solely responsible for ensuring uninterrupted operation of that equipment so that it is continuously capable of placing a call to TK Elevator Communication's call center.

Terms and Conditions
Any of the services mentioned in this Exhibit shall be governed by both the terms and conditions of the Agreement covering the Unit(s) described in that Agreement and the terms and conditions of this Exhibit and in the event that those terms conflict, the terms and conditions of this Exhibit will exclusively govern the subject matter of those terms and conditions. Should the Agreement covering the Unit(s) be terminated for any reason by either Party then this Exhibit shall also be automatically terminated. In the event that this Exhibit is terminated for whatever reason, Purchaser agrees to immediately both transfer the connection of the communication equipment to an appropriate telephone service provider and also make arrangements with its replacement elevator service vendor to reprogram the communication equipment to initiate contact with a replacement call center.
