Dear Board Members:

Please place on the Board minutes to approve Sheriff Bailey to apply for a Ms. Office of Homeland Security Grant. This is a 100% funded grant. If we are approved for the grant we will have to purcha the equipment in the beginning and submit invoices and the checks for the purchases to Homeland Sec rity. At which time Homeland Security will then issue a check for the amount spent. Once the check received from Homeland, we would ask for that money to be placed back into our budget.

II. Jurisdiction's Top Three Threats

Briefly describe your jurisdiction's first top threat: **(750 character max)**

FEMA defines **"threat"** as natural, technological, or human caused occurrence, individual, entity, or action that has or indicates the potential to harm life, information, operations, the environment, and/or property.

Rankin County is home to several state agencies, including hospitals, prisons, and other miscellaneous state and local agencies. Rankin County is also home to several sporting event and concert venues.

Briefly describe your jurisdiction's second top threat: **(750 character max)**

Rankin County has several natural gas and carbon dioxide pipelines that run throughout different parts of the county. In the past, the gas lines have erupted and caught fire. These gas lines are located in very rural areas of the county and supply several residence and businesses in the area and state.

Briefly describe your jurisdiction's third top threat: **(750 character max)**

We also have two major railroads, Kansas City Southern and Canadian Nation, which have railroads that run through our county. With the railroads, there is a major threat for intentional derailment. Rankin County is also home to several venues, where at any time and active shooter incident could occur.

III. Jurisdiction's Top Three Hazards

Briefly describe your jurisdiction's first top hazard: **(750 character max)**

FEMA defines **"hazard"** as something that is potentially dangerous or harmful, often the root cause of an unwanted outcome.

At any point and time, an active shooter incident could occur at any of these locations. With so many agencies moving into the Rankin County area and all the venues that Rankin County is home too, there are several known targets that someone involved in terrorism would want cause harm.

Briefly describe your jurisdiction's second top hazard: **(750 character max)**

These gas lines can be used to harm thousands of people. With so many of these gas lines based out of Rankin County, the threat is always there and we are always having to be more vigilant in these areas.

Briefly describe your jurisdiction's third top hazard: **(750 character max)**

The railroad companies and major railways in Rankin County are major transportation routes for moving goods and other domestic items across the country. Intentional damage to them would cause a major disruption in transportation of these goods and other services to other parts of the country.

IV. Capability Gaps

Provide one to three brief paragraph(s) describing any capability gap(s) which inhibits your jurisdiction's ability to respond to the threats and hazards you have identified. Explain how you determined your capability gaps (i.e. a response to a real life event, an exercise, a training event). Please address how utilization of existing state-wide assets (task forces, force protection units, bomb teams, etc.) may/may not mitigate the threats and hazards you have identified.

Rankin County is always attempting to upgrade hardware for use with being able to assist with Homeland Security and other mission driven assignments. Being able to upgrade the equipment with newer models will allow us to continue to function and not worry about equipment failure.

At this current time, we are in the process of upgrading radios also that work with the MSWIN state system. We are also added encryption to the radios. The will make it easier for officers to communicate safely without someone not authorized being able to hear them. Being able to upgrade this piece of hardware will allow Rankin County to be able to upgrade its cache of radios and not have to worry about one going down and not having something to replace it.

V. Property Management System

Provide a brief description of having an adequate property management system.

Rankin County is committed to maintaining complete and accurate fixed assets and property records. All assets are tracked via an assets control sticker and serial number. Our inventory control clerk manages all inventory including locations and assignments with the aid of an in house software system.

2021 NIMS Compliance Form

The United States Department of Homeland Security's Presidential Directive 5 mandates that governments shall implement a consistent system for working together during incidents or events. The National Incident Management System (NIMS) has been designed to provide effective incident and event management. Under Executive Order #932, Mississippi established NIMS as the standard for incident management within the state. U.S. Department of Homeland Security/Federal Emergency Management Agency guidance provides that accepting grant funding is conditioned upon NIMS compliance.

This jurisdiction attests that we continue to strive toward NIMS compliance, as provided under federal and state NIMS guidance. This jurisdiction understands receiving and/or using U.S. Department of Homeland Security grant funds remains conditional upon NIMS compliance. Non-compliance of NIMS can result in Homeland Security dollars being withheld or recouped from our jurisdiction because of ineffective NIMS support and participation.

Subject: Basic Crisis Negotiation Course

Location: Gulfport, Mississippi

Date: October 18-22, 2021

The Federal Bureau of Investigation (FBI) will be teaching a Regional Crisis Negotiation Course for Law Enforcement Officers. This basic course is offered at no cost. The course will be offered the week of October 18-22, 2021, at the Gulfort Police Department, 2220 15th St, Gulfport, MS.

This basic training teaches Law Enforcement Officers how to communicate and negotiate with individuals in crisis situations such as: hostage scenarios, barricaded suspects, stand-offs/refusal to surrender, suicidal persons, mental illness, SWAT Operations, etc. Officers who successfully complete this training can be used by Law Enforcement Agencies as Negotiators to communicate with subjects and attempt to deescalate crisis situations.

The training starts at 8:15 am each day and ends at 5:00 pm each day. The first three days of instruction will be held in a classroom setting, and the final two days will consist of scenario based training. We ask that attendees secure their weapons in their vehicles during this class.

This course can be very challenging; therefore, attendees should come prepared for a full week of training. The scenario based training on Thursday and Friday will be held both inside and outside. No tobacco use is allowed during inside training, nor during the scenarios. We realize that attendees must be available to communicate with their respective Agencies during the training; however, we ask that attendees please limit activity on cell phones during training. There will be numerous breaks that will allow students to check messages and return emails, phone calls, and text messages.

The attire is casual, but no t-shirts. Officers do not need to wear their uniforms. Officers should consider comfortable footwear for the scenario based training on Thursday and Friday.

COVID-19 Caveat: Although the State of Mississippi has reversed its mask mandate, all attendees are required to bring a face mask to this course.

Interested Agencies should submit the names of Officers who want to attend, along with their email address and cellular telephone number, to Special Agent Tim Studer at **tstuder@fbi.gov**. Slots are limited and demand for this training is extremely high; therefore, just because a name is submitted, it does not guarantee that Officer a slot in the course.

Subject: Travel Request

Board Members and Keith Hicks,

The Mississippi Judicial College asked me to be a speaker for the Justice Court Judges next week at their Biloxi seminar at the IP Casino Resort.

The Judicial College will reimburse me for my meals for 10/7/21 and 10/8/21, travel expenses and hotel room for the night of October 7, 2021.

I asked assistant County Prosecutor Trey Spillman to go with me because we work as a team.

I got hotel reservations for Trey at the group rate of $79.99 plus a resort fee of $15.68 plus taxes. That is the same hotel rate that the Judicial College is being charged for me and the Justice Court Judges.

I am requesting that Rankin County reimburse me or Trey for Trey's hotel room upon proof of the hotel receipt and to also reimburse Trey for meals.

The funds can come from line item 475 of the County Prosecutor's budget.

Trey will not have any need for transportation expenses because he will ride with me in my vehicle.

If you have any questions, please contact me. Thank you for your valuable time.

Ms Janice,

I am sending the attached letter today as I will not be able to get it taken care on the 1st of October.

My husband is having open heart surgery later this week and I will be at the hospital with him.

The Project Graduation committee and seniors appreciate any donation from the supervisors.

We will be sure to let all the students know about the donation.

Any questions you can text me at 601-953-7355 or Amanda Housley at 601-953-7442. Amanda is a school teacher so you would have to leave a message if you called.

Again we appreciate you and the supervisors.

October 1, 2021

Dear Community Leader,

McLaurin High School is preparing for its annual Project Graduation for the Class of 2022. Project Graduation gives graduating seniors a safe alternative to going out on graduation night. McLaurin is a small school located in a rural area on Star Rd between Brandon, MS and Star, MS with a senior class of 85 students. The students will participate in various activities throughout the night of graduation which is solely funded by donations from the community. The Project Graduation Committee would like for each participant to not only have a safe alternative to partying on graduation night, but we would like to provide a kick start basket for college. We are expecting all 85 students to be a part.

Your support would be greatly appreciated. We are excited about the opportunity this event provides for our seniors. McLaurin High School values our community and always appreciates your support. Please consider donating to McLaurin High School Project Graduation Class of 2022.

If you have any questions or need additional information you may contact Janice Crosby 601-953-7355.

Sincerely,

Janice Crosby, Volunteer

WE ASSIGNED YOU AN EMPLOYER IDENTIFICATION NUMBER

Thank you for applying for an Employer Identification Number (EIN). We assigned you EIN 86-3999035. This EIN will identify you, your business accounts, tax returns, and documents, even if you have no employees. Please keep this notice in your permanent records.

When filing tax documents, payments, and related correspondence, it is very important that you use your EIN and complete name and address exactly as shown above. Any variation may cause a delay in processing, result in incorrect information in your account, or even cause you to be assigned more than one EIN. If the information is not correct as shown above, please make the correction using the attached tear-off stub and return it to us.

When you submitted your application for an EIN, you checked the box indicating you are a non-profit organization. Assigning an EIN does not grant tax-exempt status to non-profit organizations. Publication 557, Tax-Exempt Status for Your Organization, has details on the application process, as well as information on returns you may need to file. To apply for recognition of tax-exempt status under Internal Revenue Code Section 501(c)(3), organizations must complete a Form 1023-series application for recognition. All other entities should file Form 1024 if they want to request recognition under Section 501(a).

Nearly all organizations claiming tax-exempt status must file a Form 990-series annual information return (Form 990, 990-EZ, or 990-PF) or notice (Form 990-N) beginning with the year they legally form, even if they have not yet applied for or received recognition of tax-exempt status.

Unless a filing exception applies to you (search www.irs.gov for Annual Exempt Organization Return: Who Must File), you will lose your tax-exempt status if you fail to file a required return or notice for three consecutive years. We start calculating this three-year period from the tax year we assigned the EIN to you. If that first tax year isn't a full twelve months, you're still responsible for submitting a return for that year. If you didn't legally form in the same tax year in which you obtained your EIN, contact us at the phone number or address listed at the top of this letter.

For the most current information on your filing requirements and other important information, visit www.irs.gov/charities.

Dear Community Members and Friends:

Puckett High School Project Graduation is a tradition in our community that provides a fun, festive, and safe evening for our Seniors by promoting an alcohol and drug free environment. The program typically begins immediately following the graduation ceremony and runs through the night, until 6:00 AM, and includes a variety of activities and entertainment as well as food and door prizes. PHS Seniors will be able to celebrate with their fellow classmates in an exciting safe environment on **Tuesday, May 17, 2022**!

Puckett Project Graduation 2021 is a totally self-supporting program sponsored by the Project Graduation Committee; we receive no funding from the school budget. It is only through the generosity of parents, community leaders, and businesses surrounding Puckett that we have been able to host Project Graduation for many, many years. Our goal is to raise $20,000 to cover the expenses associated with this year's event. We hope you will join with your fellow members in the business community and demonstrate your support by making a financial contribution.

The **Puckett Project Graduation 2022** parents and 2022 Seniors sincerely appreciate your support of this worthwhile, memorable event. The contribution options attached provide a great opportunity for us to recognize your business or organization, as your tax-free contribution helps us provide our students with a safe graduation night celebration. Please return the attached Donation Form to the address listed on the form or contact us and a committee member will be happy to pick up your donation. Your generous support will certainly help make this event a success!

If you have any questions or need additional information, please feel free to give us a call or email us at your convenience.

Sincerely,

Stefanie W. Haskins

Richland High School
Senior Parents Association
PROJECT GRADUATION

On behalf of the Richland High School Senior Parents Association, we would like to tell you about Project Graduation. This is a drug and alcohol-free graduation celebration we are planning for the Senior Class of 2022. There are approximately 125 seniors. Several parents are dedicated to this project to ensure the fun and safety of our children on their graduation evening.

We plan to take the Seniors for a night of food, fun and activities and end with breakfast together. We would like to provide something for every graduating senior. We would also like to offer some grand door prizes, such as dormitory refrigerators, microwaves, etc. in hopes of enticing students to participate in a drug and alcohol-free celebration, as well as offer items to encourage further education.

We are asking for your assistance with our celebration. In honor of all of our seniors' hard work, we ask that you help make a monetary donation to our class to help with the expense of the charter buses, food, games, prize drawings, and a night with friends will provide them with lasting memories as they close one chapter of their lives and move on to the next.

Excitement and hype around the school along with making it financially viable is our plan to make every senior want to go. They should all have the opportunity to have the time of their life with their classmates on graduation night. A night such as this would not be possible without the generous support of area businesses, individuals, and community leaders such as you.

Please return this form to: Richland High School Project Graduation

(Attn: Mrs. Cresap)
1202 Highway 49 South
Richland, MS 39218

We would like to thank you in advance for helping to make this event a great success for our graduates of 2022.

We the undersigned residents of East Petros Rd respectfully request that you consider our posistion against the commercial rezoning of 451 East Petros Rd, Pearl MS 39208 for YNA Pallet Sales. We the residents purchashed our properties on East Petros Rd in Pearl MS, knowing this was not a commercial-business area. We love our quiet community and believe a business will bring unwanted noise and extra traffic, that will interfere with our day to day lives. We the residents are also concerned about our property values decreasing if the property of 451 East Petros Rd is rezoned for commercial use. East Petros Rd is a residential, dead end street and YNA would be located near the end of East Pertros Rd, this would affect the entire East Petros community.
