RE: School LEO Agreement

Dear Board Members:

Please place on the Board minutes to approve the School Law Enforcement Officer (LEO) Agreement between the Rankin County Sheriff's Department and the Rankin County School District. This agreement is for the 2022-2023 FY. Will also need authorization for the Board President and Sheriff to sign agreement. If approved and after the agreement has been signed the Rankin County School District will issue a check to the County. At that time the Sheriff would ask that those funds be placed into the Sheriff's budget for those Officers salaries.

Thank you,

Randy Gray

3. Rent.

The Tenant shall timely remit rent to Landlord in the amount of $1,400.00 each month payable in advance on the first day of each month. The Tenant shall not permit or suffer any other use of the Leased Premises by any other business or activity.

6. Repairs.

Tenant accepts the Leased Premises, as well as all appurtenances thereto, including, but not limited to, fixtures, furniture, keys, locks, interior windows, plumbing, sprinkler systems, heating and cooling equipment, ceilings, ceiling tiles, parking areas, doors, phone systems, electrical wiring, computer cabling, carpet, floor coverings, signage, and interior walls, in their present condition to include any unknown or unknowable conditions that may now or hereafter manifest. Attachment: Vardoc Executed Commercial Lease Agreement with South Central Community Action Agency (18012 : Various Documents)

writing to the Tenant to complete repairs. Rent specified in Paragraph 3 hereof shall abate during the period of repair. If Landlord fails to notify Tenant of its intent to repair the Leased Premises within thirty (30) days of the occurrence of the casualty, Tenant may cancel this Lease Agreement in writing to Landlord. 9. Certificate of Insurance.

At the inception of this Lease Agreement, Tenant shall provide Landlord with a Certificate of Insurance demonstrating that Tenant maintains a minimum of $500,000 in commercial general liability insurance protection and that Landlord is shown as an additional insured thereon. 10. Security Deposit.

At the inception of this Lease Agreement, Tenant shall remit to Landlord a security deposit in the amount of $1,400.00 to guarantee faithful performance of the terms and conditions hereof. At termination, Tenant shall peaceably surrender possession to Landlord including all access keys in Tenant's possession.

11. Default Provisions.

If Tenant fails to pay any installment of rent or additional rent due under this Lease or fails to comply with any other provision of this Lease, within ten (10) days after notice by Landlord to Tenant demanding same (provided that said notice need not be given for nonpayment of rent), or in the event Tenant abandons the leased premises, or discontinues use of the leased premises for the purpose for which leased, or removes from the leased premises any property against which the Landlord is entitled to a Landlord's lien, or makes an assignment for the benefit of creditors, or is adjudged bankrupt in an involuntary bankruptcy proceeding, or files any type of proceeding or applies for any relief under the laws of the United States relating to bankruptcy or state proceedings relating to insolvency, or if a receiver or other custodian is appointed for Tenant or any of Tenant's property by a court , then in any such event, Landlord shall have, at Landlord's option, without putting Tenant in default and without notice of default, (1) to cancel this lease effective immediately, or effective at any date that Landlord may elect, or (2) to proceed one or more times past due installments of rent without prejudicing any right to proceed later for additional installments or exercise of any other remedy, or

Attachment: Vardoc Executed Commercial Lease Agreement with South Central Community Action Agency (18012 : Various Documents)

(3) to declare the unpaid rent for the unexpired term immediately due and payable, or (4) to have recourse to any other remedy or mode of redress to which Landlord may be entitled by law. In the event that Landlord exercises the right to cancel Lease, then (1) Lessor shall have the right, as soon as said cancellation is effective, to reenter the leased premises and relet the same for such price and on such terms as may be immediately available without notice or court proceedings, Tenant hereby assenting thereto and expressly waiving any notice to vacate, and (2) Tenant shall be and remain liable not only for rents payable to the date such cancellation becomes effective as provided above, but Landlord, upon Tenant's default as defined above, may accelerate the unaccrued rents for the remaining terms of the Lease. Upon acceleration of the unaccrued future rents for the remainder of the Lease, Tenant shall be liable for the total amount of such unaccrued future rents and shall further be responsible for any and all damages and other losses suffered by Landlord resulting from such cancellation. In addition to the above provisions, the Tenant shall also be liable for the following penalties and late fees if rent is not received by the first day of each month on which rent is due and payable: (1) A late fee of $50 will be charged,. In the event that Tenant remits payment of rent by check and said check is returned by drawee bank for any reason, the Tenant shall be obligated to pay a penalty to Landlord in the amount of $100 for each such occurrence. Said penalty shall be in addition to other late fees or penalties allowed hereunder.

12. Attorney's Fees.

Should Landlord engage an attorney to enforce any rights or responsibilities hereunder, with or without judicial proceedings, Tenant agrees to pay Landlord the reasonable fees charged by said attorney, which said fee shall be fixed at one third of all amounts owed by Tenant to Landlord, but shall in no circumstance be less than $500.00,

13. Indemnity.

Tenant shall save Landlord harmless and shall exonerate and indemnify Landlord from and against any and all claims, liabilities, or penalties asserted by or on behalf of any person, firm or corporation or public authority on account of injury, death, damage or loss to person or property in or upon the Leased Premises arising out of the use or occupancy of the Leased Premises by Tenant or any person claiming by or through Tenant (including without limitation any customer, patron, client, or employee of Tenant)or arising out of any delivery to or service supplied to the Leased Premises. Tenant agrees to indemnify, protect, defend and hold harmless Landlord from and against all costs, expenses (including reasonable attorney's fees) and liabilities incurred in or connection with any such claim, action or proceeding brought thereon; and in case of any action or proceeding brought against Landlord by reason of any such claim, Tenant, at Tenant's expense, shall resist or defend such action or proceeding and employ counsel therefor (with Landlord retaining the right to select said counsel). Tenant shall provide its own insurance coverage for liability, fire, theft, extended coverage protection, for any and all

personal property, furniture, inventory, equipment, supplies and the like that may be brought onto the Leased Premises, used or stored on the Leased Premises, and shall be solely responsible therefore.

14. Environmental Statement.

Landlord shall have no responsibility whatsoever to remove hazardous materials from the Leased Premises, if any. Tenant agrees to fully indemnify, protect, hold harmless and defend Landlord from and against any costs, damages, claims, liabilities or losses of any kind or nature, including, but not limited to, reasonable attorney's fees, arising out of or in any way in connection with the presence, removal or remediation of hazardous materials in, on, under or about the Leased Premises. RE: Emergency Road and Bridge Repair (ERBR) Executed MOA for Bridge Number(s) SA6100000000202

Dear Mr. Calhoun:

Thank you for submitting the ERBR Memorandum of Agreement (MOA) and the appropriate approval identifying the Engineer of Record for your project. Please find enclosed your fully executed copy of the MOA for the above referenced project.

If preconstruction funds were awarded, the Local Public Agency (LPA) will receive the initial distribution detailed in the MOA with the remaining funds to be deposited once the low bid has been awarded and the Final Payment Checklist is received. Once the deposit of ERBR Funds has occurred, please transfer the funds to the separate account or sub-account as outlined in the MOA.

If your project does not have an initial distribution, you will need to complete the ERBRF Final Payment Checklist and return to our office before the award amount is deposited into the account or sub-account set up as described in the MOA. The checklist, which can be found on the ERBR website, must be uploaded to the ERBR Reporting Site.

We are excited about this program and working with you on these very important projects which will be beneficial to both your community and the entire state. Visit MDOT's ERBR website at https://mdot.ms.gov/portal/erbrf_2022 for additional information that we will be posting throughout the life of the program. If you have any specific questions, please contact us at planning@mdot.ms.gov.

Sincerely,

Brad White

MEMORANDUM OF AGREEMENT
BETWEEN THE MISSISSIPPI TRANSPORTATION COMMISSION
AND Rankin County, Mississippi
Project No. ERBR-61(01)

This Memorandum of Agreement (the "Agreement") is entered into by and between the Mississippi Transportation Commission (the "Commission"), which executes its policies through the Executive Director of the Mississippi Department of Transportation ("MDOT"), whose address is 401 North West Street, Jackson, MS 39201, and Rankin County, Mississippi (the "Recipient") whose address is 211 East Government Street Suite A, Brandon, MS 39047. This Agreement shall become effective upon the date of latest execution shown below.

WHEREAS, the Mississippi Legislature has created a special fund known as the 2022 Emergency Road and Bridge Repair Fund (the "ERBRF") pursuant to Section 11of Senate Bill No. 2780, 2022 Regular Session; and,

WHEREAS, pursuant to said statute, the State Fiscal Officer shall transfer sufficient amounts from the Capital Expense Fund to fund this program, and deposit the same into the said ERBRF; and

WHEREAS, the Mississippi Transportation Commission, acting through the Mississippi Department of Transportation has enacted rules pursuant to the Mississippi Administrative Procedures Act for the distribution of said funds; and

WHEREAS, the Recipient has applied for and been chosen to receive a grant of funds for the replacement of bridge number(s) SA6100000000202 and other associated activities identified in the Recipient's application (the "Project") as approved by the Commission on July 12, 2022 (the "Award Date"); and

WHEREAS, it is understood by and between the parties that the Commission has no funds available to contribute to the Project other than those being provided through the ERBRF grant described below, and that the Recipient is solely responsible for any costs of the Project that exceed the amount of the ERBRF grant.

NOW, THEREFORE, in consideration of the promises and agreements of the parties hereto, as shown below, it is hereby agreed as follows:

ARTICLE I.
DUTIES AND RESPONSIBILITIES

A. **THE COMMISSION WILL:**

Provide funding for the Project identified in this Agreement in an amount not to exceed $534,481.60 according to the terms and conditions hereof.

If preconstruction activities were requested in the application and funds were not expended prior to the Award Date, transfer an initial installment of funds from the ERBRF in the amount of $36,236.04 to the governmental entity shown above who owns/sponsors the public road or bridge Project to be used for preconstruction activities.

Once preconstruction activities are complete and the Recipient has awarded a construction contract, transfer the remaining balance of the grant amount (not to exceed the amount needed to complete the Project). This transfer shall be made promptly after the award of the construction contract by the Recipient and after the required documents have been provided to MDOT.

The maximum engineering costs allowed to be paid from ERBRF grant monies shall be calculated based on a percentage of the successful construction bid amount. For projects requiring Preliminary Engineering (PE) and Construction Engineering and Inspection (CE&I), the maximum amount of the total engineering costs to be paid from the ERBRF shall be fifteen percent (15%) of the amount of the successful construction bid. For projects that do not require PE services, the maximum amount of engineering costs to be paid from the ERBRF for engineering costs shall be ten percent (10%) of the amount of the successful construction bid. The total amount allowed for PE and/or CE&I costs shall be the actual cost of these services, or the maximum amounts outlined above, whichever is less.

If the Project involves an existing or ongoing construction contract, transfer the grant amount (not to exceed the amount needed to complete the Project), after the required documents have been provided to MDOT. **Pursuant to Mississippi Code Section 65-1-179, under no circumstances shall Recipient use ERBRF monies to reimburse any amount that has been expended on the Project prior to the Award Date.**

B. **THE RECIPIENT (CITY/COUNTY) WILL:**

Execute and return this Agreement to MDOT by August 31, 2022.

Submit the appropriate approval (e.g., board order) identifying the Engineer of Record for the Project, who shall be a licensed Professional Engineer registered with the MS Board of Licensure for Professional Engineers and Surveyors, prior to the first transfer of funds.

Use the funds solely for the costs of the Project as defined in this Agreement and upon the terms and provisions of this Agreement. Failure to adhere to any provision within the Agreement may result in immediate withdrawal of future funding and will require the return of all unexpended funds upon written demand

from MDOT.

Maintain Emergency Road and Bridge Repair (ERBR) Funding in a separate account or sub-account for the Project identified in this Agreement, so that project funding and costs can be easily tracked. The Recipient must be enrolled in PayMode e-payment module prior to receiving ERBRF grant monies. The Recipient may request assistance enrolling by contacting www.mmrs.state.ms.us or by calling the MMRS Call Center at (601) 359-1343. MDOT uses Mississippi's Accountability System for Government Information and Collaboration (MAGIC), and payment shall be made, and remittance information provided electronically as directed by the State to the bank account of the Recipient's choice.

Make every effort to expend all funds by June 30, 2025. Should any projected deviation from this schedule arise, the Recipient agrees to notify MDOT in writing of the specific details of delay and request an extension as soon as the deviation becomes apparent. Should this request be denied, the Recipient will return any ERBRF monies in the amount determined by MDOT. **In the event a construction contract is not awarded by January 31, 2025, MDOT reserves the right to revoke the grant award and demand repayment of ERBR funds.** The Recipient agrees to promptly return any unexpended ERBRF monies for revoked awards as required by MDOT.

Secure all funding necessary to complete the Project and commit the same prior to or at the time of grant award. All funding associated with the selected ERBRF Project shall be secured prior to the award of the construction contract and shall not be dependent on any future grants or awards. All funding in excess of the ERBRF grant amount necessary to complete the Project is the sole responsibility of the Recipient. **Pursuant to Mississippi Code Section 65-1-179, under no circumstances shall Recipient use ERBRF monies to reimburse any amount that has been expended on the Project prior to the Award Date.**

Follow state law for procurement of professionals and letting of construction projects. Failure to follow state laws may result in withdrawal of grant funds. If any federal funds are used in conjunction with ERBR funds, all federal procurement laws must be followed.

Advertise construction projects in accordance with all applicable laws and, to the extent possible, make advertisements available to the Mississippi Association of General Contractors, Mississippi Road Builders' Association, and Mississippi Asphalt Pavement Association.

Any interest earned shall remain in the account or sub-account and shall be used on the Project identified in this Agreement. **Funding shall not be transferred back to the State, or any other fund associated with the State Treasury unless directed by MDOT in writing.**

Expend Project Funds in the following manner:

The Recipient agrees that if any funds are available at the completion of the Project, it will notify MDOT, in writing with a copy of any required approvals (e.g., board, council, or commission), of the amount of funds remaining and either: request an amendment to the Project defined in this Agreement for purposes consistent with any and all applicable state or federal statutes, rules, regulations, and/or guidance, or notify MDOT that the funds are not needed and request to transfer funds back to the ERBRF.

All expenditures of funds deposited from the ERBRF Program will be spent solely on costs directly associated with the Project as identified in this Agreement. The Recipient agrees to **maintain accurate Project**

There shall be no changes to the Project as approved in this Agreement without detailed documentation as to the reason for the requested change. Requests for changes shall be submitted to MDOT in writing with a copy of any required approvals (e.g., board, council, or commission). Project changes shall not be made without written approval by MDOT.

Project shall meet current OSARC Design Standards, MDOT Design Standards, and/or AASHTO Design Standards, whichever is appropriate. Recipient shall provide stamped certification from the Engineer of Record that the design meets the applicable standards, as required above.

For bridge projects, once the piling is driven and prior to placement of caps or superstructure, the Recipient must submit to MDOT and OSARC electronic documentation using MDOT or OSARC pile driving record forms showing that the piles have reached the pile bearing as detailed in the construction plans. Any piling driven shall achieve the desired minimum bearing capacity and minimum tip elevation.

Upon completion of projects containing bridge construction or rehabilitation, an Initial Inspection of the bridge is required in accordance the National Bridge Inspection Standards (NBIS) and with Section 4.2, AASHTO Manual (Incorporated by reference, see § 650.305 and § 650.317 of NBIS) for each new, replaced, rehabilitated, and temporary bridge as soon as practical, but within 3 months of the bridge opening to traffic.

The Initial Inspection shall be made to fully document the as-built condition of the bridge. This also serves to record required bridge inventory data, establish baseline conditions, and establish the intervals for other inspection types. A load rating shall be performed to document the live load carrying capacity of each bridge after the projects are complete. The findings of the inspection shall be documented in an inspection report and submitted via AssetWise.

stamped as- built plans in a format approved by MDOT. In addition, the Recipient shall provide stamped certification from the Engineer of Record that the Project was constructed in accordance with the applicable standards, as required by MDOT.

At the end of the Project, plans and all Project documentation shall be owned by MDOT and, upon request, shall be provided to MDOT on CD or other acceptable electronic means of data storage.

Report upon Project progress as follows:

The Recipient agrees to provide quarterly reports and any required supporting documentation on a form prescribed by MDOT that summarize all work and expenditures on the Project since the last report. The quarterly report shall provide an updated schedule that has estimated dates for milestones and shall also provide a copy of the most recent bank statement of the separate account or sub-account used to maintain ERBR funding for the Project described in this Agreement. The first quarterly report shall include a bank statement showing proof of the first ERBRF proceed deposit. If the Recipient receives a second transfer from MDOT, the quarterly report immediately following this transfer shall also include a bank statement showing proof of the second ERBRF proceed deposit. The first quarterly report shall be provided within 30 days of the end of the next calendar quarter after the effective date of this Agreement and thereafter within 30 days after the end of each succeeding calendar quarter (i.e., March 30, June 30, September 30, and December 31). Failure to provide required reports may result in reduction of the grant award and/or the withdrawal of Project funding, in which case funds would be returned to the ERBRF upon written demand from MDOT.

The Recipient further agrees to make such other reports, disclosures, or certifications as may be required by MDOT.

ARTICLE II.

The Honorable Jared Morrison
President, Board of Rankin County Supervisors
211 East Government Street, Suite A
Brandon, Mississippi 39042

Case No:	20-04-0001V and 14-04-0108V
Community:	Rankin County, Mississippi (Unincorporated Areas)
Community No.:	280142
Effective Date: LOMC-VALID	August 17, 2022

Dear President Morrison:

On August 16, 2022, the Department of Homeland Security's Federal Emergency Management Agency (FEMA) issued new or revised Flood Insurance Rate Map (FIRM) panels within your community. This letter identifies the Letter of Map Change (LOMC) actions [i.e., Letters of Map Amendment (LOMAs) and Letters of Map Revision-based on Fill (LOMR-Fs)] for properties and/or structures located in your community that are still valid as of the effective date shown above. Any revalidation letters previously issued for your community have been superseded as of the effective date listed above.

All effective LOMCs within your community have been reviewed, including LOMCs located in areas not revised during this FIRM update. LOMAs and LOMR-Fs for which the original determination has not been superseded by new or revised information will remain in effect until superseded by a subsequent LOMC or by a revision to the FIRM panel on which the property and/or structure is located.

The enclosed table lists the FEMA case number, issue date, project identifier, and FIRM panel number for the LOMCs revalidated by this letter. Please refer to the original determination document to obtain the details of the outcome for the properties and/or structures included in the determination (such as flood zone, base flood elevations, property elevations, etc).

Letters of Map Revision (LOMRs) previously issued for FIRM panels that were revised by the recent map update for your community have either been incorporated into the revised FIRM or have been superseded by the revised FIRM. LOMRs issued for FIRM panels that were not revised by the recent map update for your community are not included on the enclosed table and will remain in effect until superseded by a revision to that FIRM panel.

If there is a LOMC not on the enclosed list that you feel should have been revalidated, we encourage you to submit the LOMC for re-determination. When requesting a re-determination, we ask that a cover letter be sent along with a copy of the original determination letter to: LOMC Clearinghouse, 3601 Eisenhower Avenue, Suite 500, Alexandria, VA 22304-6426. Re-determinations may also be requested online at https://www.fema.gov/online-lomc.

Attachment: Vardoc FEMA Revalidated Letters of Map Change for Rankin County (18012 : Various Documents)

Because these revalidated LOMCs will not be reprinted or distributed to primary map users, such as local insurance agents and mortgage lenders, your community will serve as a repository for this information. We encourage you to disseminate the information reflected by this LOMC-VALID letter throughout your community so that interested persons, such as property owners, local insurance agents, and mortgage lenders, may benefit from the information.

Copies of previously issued LOMCs, if needed, may be obtained from your community's map repository, FEMA's Map Service Center website located at https://msc.fema.gov, or by contacting the FEMA Mapping and Insurance eXchange (FMIX), toll free, at 1-877-FEMA-MAP (1-877-336-2627).

For additional information or questions relating to LOMCs not listed on the enclosed table, or mapping in general, please contact the FMIX at the number provided above.

Re: Permission to Enter Upon Private Property
Andrew Chapel Road Improvement Project

Dear ~~Mr. Anderson~~ EDWARD:

I serve as the Board Attorney for the Rankin County Board of Supervisors. As you are aware, the County entered into a contract with a private entity, Site Masters, Inc., to reconstruct and improve Andrew Chapel Road. While performing under the contract, Site Master, Inc.'s activities may have resulted in alterations to driveways or other points of access that serve as ingress into and egress from privately owned property to Andrew Chapel Road. It is the County's intention to address and correct certain of these situations where it is apparent that ingress/egress may have been compromised. The access drive that serves your property (Rankin County Parcel ID K10-130-20) requires attention.

In order for the County to proceed with corrective action, we will require written permission from you as the property owner to authorize entry onto your private property to conduct work. The terms of this written permission shall be as follows:

1. The County or its vendor has permission to enter upon your property and conduct limited work to correct access issues created by construction activity under the Andrew Chapel Improvement Project.
2. The County will determine the scope of corrective action in its sole discretion.
3. The private property impacted by the corrective action will be returned to as near a condition as possible as that existing at the time of entry.
4. The permission granted hereby will expire without further action 120 days from the date on which permission is granted.
5. The County will pay nothing for permission to enter the property.
6. Nothing contained herein shall obligate the County to provide any maintenance or repair to the private property in the future.

NOTICE OF A PUBLIC HEARING ON THE PROPOS BUDGET AND PROPOSED TAX LEVIES FOR THE UPCOMING FISCAL YEAR FOR RANKIN COUNTY, MISSISSIPPI

The Rankin County Board of Supervisors will hold a public hearing on a proposed budget and proposed tax levies for fiscal year 2022-2023 on the 6th day of September, 2022 at 9:00 a.m. in the Board of Supervisor meeting room at 211 E. Government St., Suite A. Brandon, Mississippi.

The Rankin County Board of Supervisors is now operating with projected total budget revenue of $216,574,885 (31.0 percent) or $67,158,908 of such revenue is obtained through ad valorem taxes. For next fiscal year, the proposed budget has total projected revenue of $244,581,013. Of that amount, (29.0 percent) or $70,303,423 is proposed to be financed through a total ad valorem tax levy.

The decision to not increase the ad valorem tax millage rate for fiscal year 2023 above the current fiscal year's ad valorem tax millage rate means you will not pay more in ad valorem taxes on your home, automobile tag, utilities, business fixture and equipment and rental property, **unless the assessed value of your property has increased for the fiscal year 2022.**

Any citizen of Rankin County is invited to attend this public hearing on the proposed budget and ad valorem increase, and will be allowed to speak for a reasonable amount of time and offer tangible evidence before any vote is taken.

OUTLINE OF ERCO OPERATIONS

CLIENT VISITS

Currently, we are open 2 days a week – Tuesdays & Thursdays 9:00 am to 1:00 pm.

The number of clients varies each week. Most clients receive a monthly food box. However, some clients only come for clothes & other items.

Our current process is:

- Families/Individuals come into our facility; and log in their name, time of arrival & items needed.
- Volunteer/Manager pulls file & places it in line on the desk at the front of the sanctuary for next available counselor.
- During the counseling session, the counselor asks if contact information needs to be updated; what items are needed today (food/clothes/other); other needs & prayer requests.
    - If food is needed, counselor writes on a sticky note the name & number of family members for client to give to Food Pantry.
    - If clothes are needed, counselor gives a large clear bag to client for the Clothes Closet.
- Client then goes to Clothes Closet for items and/or Food Pantry.
- During this process, volunteers in Food Pantry are preparing food boxes as clients come in.
    - Food boxes include dry, dairy & meat products, and may vary in size due to amount of food available in Food Pantry.
    - At least 20 boxes are prepared before clients arrive – either on days before we open or before 9:00 am the day we open.

VOLUNTEER NEEDS EACH TUESDAY & THURSDAY:

1 Volunteer/Manager needed to receive clients & pull files
2 to 3 Volunteers needed for counseling & prayer
3 Volunteers needed in Food Pantry

WALMART, Richland, MS – free food via Feeding America **Contact: Ruby 601-939-0538**

Each Week – Tuesday .

- Unload; sort food and weigh food by categories (see below)
- Record on Food Log (above weight scale)
- Store food in refrigerators, freezers & pantry as needed
- One (maybe two) volunteer(s) required – one needs to be Serv Safe certified

Each Feeding America pickup must be sorted and weighed by these categories:

- Meat; bakery; dairy; produce; mix; and other

Upon arrival at ERCO, a member must sort food items by the categories; weigh items; and put away the food in a timely manner.

The weights need to be logged into the 'Mealconnect' database.

MS FOOD NETWORK **Contact: Cassandra 601-353-7286**

Every 2 to 3 Weeks

- Order food online as needed
- At time of order, you must specify date & time of pickup
- Pickup food at MFN at Gallatin & Hwy 80
- Unload and weigh food by category
- Record in food log
- Store food in refrigerators, freezers & pantry
- Two volunteers required (at least) – at least one needs to be Serv Safe certified

ERCO Director orders MFN as needed. What and how much you order depends on current inventory and upcoming events/holidays.

MFN is ordered from the 'Agency Express' database. At the time of the order, a date & time must be chosen for pickup of the order.

Limits are set on each order item to not allow pantries huge overstocks.

There is a rule when ordering USDA products: for every 3 cases of USDA free items ordered, you must order 1 case of non-USDA items to purchase. An invoice is given at time of pickup.

At end of month, all remaining USDA products are counted and recorded to MFN. (Invoices are used for end of the month USDA reporting.) The end of the month reports **are due to MFN no later than the 5th of the next month**.

Also, all USDA products must be shelved separately from other food items. (The invoice will detail the specific USDA items.)

NOTE: **only USDA items are inventoried.**

Also, MFN will require a contact person who is at the pantry to be Serve Safe certified, and a new agency agreement will need to be completed.

Other food donations: All food items in the pantry, freezers, etc. must be weighed and recorded. When food donations are received from individuals, churches, schools, etc., the items must be weighed by category and logged into the Food Log.

ERCO Director will need to be able to evaluate the Food Pantry to know what is needed to prepare sufficient food boxes each week for our clients. A good rule of thumb is to leave the pantry with

Attachment: Request approval of ad valorem tax exemption requests for 2022 tax year Goodwill;Ever Reaching Community; Mississippi

enough food to start the next day. NOTE: We are not guaranteed the items that come via Feeding America pickups (i.e., 500 lbs recorded may be 450 lbs of water & only 50 lbs of miscellaneous items.

It does help to evaluate and prepare dry good food boxes before the days our facility is open. However, there will be busy days when the pre-made boxes will run out and the Food Pantry workers will need to be able to evaluate what food is remaining and needed to prepare more dry good boxes to finish the day.

OTHER FOOD – donations from churches, businesses, individuals, etc.

- Receive food items
- Record in Food Log and Donation Log
- Store food in refrigerators, freezers & pantry

The Food Pantry also includes our kitchen and equipment in the kitchen. Our freezers, produce, etc. need to be evaluated each week to give our clients as much as possible, while making sure we have enough food for our clients for the upcoming week.

Meat may come in one week, and then not come in for the next 2 weeks. Keep up with meat intake. Produce will need to be given quickly. However, Director or Food Pantry Supervisor will need to evaluate what produce is in stock & estimate number of families that will be coming in to determine how much to give each family equally.

Some frozen items are considered meat, and some are not. That is determined at weigh in.

Each freezer/refrigerator has a Temperature Log. These logs need to be maintained and checked 2 to 3 times each week as directed by MFN. Logs will be checked at each MFN agency inspection.

Food Pantry must be kept clean at all times. The area needs to be swept daily and mopped weekly or as needed. Do not mop the same day the pest control service is there.

END OF THE MONTH PANTRY

After all daily Feeding America pickups are logged into our Food Log, a monthly report can be printed from the MealConnect database. List each Feeding America donor separately along with each individual food donation on the Donation Tracker Report. Our Donation Tracker Report is on the ERCO computer home screen. The form was created by ERCO and can be adjusted as needed.

Do not list our MFN food items on the Donation Tracker, as we pay for our MFN items.

PEST CONTROL

ERCO has a monthly pest control service. Director and/or Food Pantry Supervisor should watch for pests, rats, etc. and call the pest control service for additional needs.

The most current pest control invoice needs to be kept in the pantry, as required by MFN. This invoice needs to be available for viewing in the Food Pantry for any possible MFN agency inspection.

CLOTHES, HOUSEWARES & OTHER DONATIONS

MS Secretary of State requires that we keep a record of all donations coming into our Facility and all donations going out. We have a Donations Log for this record.

When logging in bags of clothing we receive, former Director valued each bag from $7 to $10.

Attachment: Request approval of ad valorem tax exemption requests for 2022 tax year Goodwill;Ever Reaching Community; Mississippi

When logging donations of food, we typically value one pound as $1.00 (i.e., 904 lbs = $904).

If Donor would like a donation receipt, we have short forms available to hand-write their receipt. We also have letter forms as well. The short form Donation Receipt can be found in desk at front of the sanctuary.

Director should write Thank You notes to our donors, especially our financial donors.

RESPONSIBILITIES AND DUTIES OF FACILITY DIRECTOR

RE: Asset List / Depreciation Schedule of all Business Personal Property

Dear John:

The Mississippi Lottery Corporation ("MLC") received via mail the Personal Property Rendition form dated with year 2022. In light of MLC being exempt from ad valorem taxation as an instrumentality or political subdivision of the State of Mississippi, our legal counsel is of the opinion that we are not liable for ad valorem taxation on our business personal property.

Attached you will find the opinion from our legal counsel at Balch and Bingham LLP, and a listing of MLC's assets. We believe this satisfies the requirements of MLC for the request received.

If we need to take any additional action, please advise.

Sincerely,

Jeff Hewitt

Re: Application of Mississippi Ad Valorem Business Property Tax to MLC

Dear Jeff:

You have asked for our opinion as to whether the Mississippi Lottery Corporation ("MLC" or "you") is liable for ad valorem taxes under Mississippi law on the MLC's business personal property, including but not limited to furniture, fixtures, machinery, equipment and inventory. The MLC is exempt from ad valorem taxation as an instrumentality or political subdivision of the State of Mississippi. Accordingly, we opine that the MLC is not liable for ad valorem taxation on its business personal property.

Pursuant to Article 4, Section 112 of the Mississippi Constitution, "[a]ll property not exempt from ad valorem taxation shall be taxed at its assessed value," with Class III personal property of a business being taxed at fifteen percent (15%). Mississippi statute defines personal property as "all tangible and intangible personal property and shall include cash, goods, deposit accounts, chattels, effects, evidences of rights of action, and all written instruments . . . ." *Miss. Code Ann.* §1-3-41. Ad valorem tax liability is imposed on "the person or corporation owning the property." *Miss. Code Ann.* §27-35-5.

However, *Miss. Code Ann.* §27-31-1(b) allows for an exemption to ad valorem taxation for personal property owned by "the State of Mississippi or any of its political subdivisions . . . ." The MLC is a "political subdivision" of Mississippi, and its property is therefore exempt from ad valorem taxation. *See, e.g.*, Miss. Atty. Gen. Op., 1993 WL 669083, at *1 (Jan. 21, 1993) ("Public corporations, such as municipalities, 'are instrumentalities of the state [or of a subdivision thereof], founded and owned by it in the public interest, supported [in whole or in part] by public funds, and governed by managers deriving their authority from the state [or from a subdivision thereof].'" (quoting *Brister v. Leflore Cty.*, 125 So. 816, 817 (1930)).

13.3. No Forfeiture. JMAA's repossession of the Demised Premises shall neither be construed as an election to terminate this Agreement nor cause a forfeiture of rents or other charges remaining to be paid during the balance of the term hereof, unless a written notice of such intention to terminate is given to Airline by JMAA or unless such termination is decreed by a court of competent jurisdiction.

13.4. Reletting. Upon repossession of the Demised Premises, prior to termination or expiration of this Agreement, JMAA may, in good faith, attempt to relet the Demised Premises, or any part thereof, for such period, or periods, at such rentals or rents and upon such other terms and conditions as JMAA may, in good faith, deem advisable. Airline shall also pay to JMAA, as soon as ascertained, any cost and expenses incurred by JMAA in such reletting not covered by the rentals received from such reletting of the Demised Premises.

13.6. Waiver. If JMAA shall enter and repossess the Demised Premises because of default of Airline in the performance of any of the terms, covenants, or conditions herein contained, then, in that event, Airline hereby covenants that it will not claim the right to redeem or re-enter the repossessed areas to restore its operations hereunder and Airline hereby waives its right to such redemption and re-entrance under any present or future law.

13.7. Settlement. If proceedings shall at any time be commenced for recovery of possession as aforesaid and compromise or settlement shall be effected either before or after judgment whereby Airline shall be permitted to retain possession of the Demised Premises, then such proceeding shall not constitute a waiver of any condition or agreement contained herein or of any subsequent breach thereof.

13.8. Cumulative Rights. All rights and remedies of JMAA herein created or otherwise existing at law are cumulative, and the exercise of one or more rights or remedies shall not be taken to exclude or waive the right to the exercise of any other. If any tribunal, having jurisdiction shall render a decision which has become final and which, due to its nature, materially interferes with Airline's operations at JAN and the tribunal's decision is not rendered because of any act or omission of Airline, at its option, Airline may terminate this Agreement by written notice to JMAA. Further, if Airline is not in default under any of the provisions of this Agreement on the effective date of termination, any rental, fee, or other charge prepaid by Airline shall, to the extent applicable to any period subsequent to the effective date of termination, be refunded to Airline promptly.

14.4. Obligations Upon Termination. Upon termination of this Agreement for any reason, Airline shall promptly surrender possession of the Demised Premises and shall deliver all keys or access devices to JMAA that Airline possesses to any or all portions of JAN.

15. HOLDING OVER

15.1. No Extension. Any holding over by Airline after any termination of this Agreement, with or without the consent of JMAA, shall not be deemed to operate as an extension or renewal of this Agreement.

15.2. Rentals. In the event JMAA consents to holding over by Airline, Airline shall continue to pay JMAA the monthly rentals, fees, and charges as provided herein until a new lease or other agreement is negotiated or until JMAA shall withdraw its consent. In the event Airline shall hold over without the consent of JMAA, Airline shall pay to JMAA, in addition to any rentals, fees, and other charges which would otherwise be due during such period of holding over, one hundred fifty percent (150%) of the amount of the monthly rentals, fees, and charges set forth in Section 6.1. above hereof for every such month, or portion thereof, Airline holds over without the consent of JMAA.

16. ACCESS TO RECORDS AND REPORTS

16.1. Airline shall maintain books, records, documents, and other evidence related to Airline's activities under this Agreement. JMAA, the Federal Aviation Administration ("FAA"), the Comptroller General of the United States, and/or any of their duly authorized representatives shall have access to any books, documents, papers, records, and other evidence for the purpose of examination, audit, excerpts, and transcriptions. Airline shall maintain the records required to be maintained by this provision for a period of not less than three (3) years after the later of (i) the expiration or termination of this Agreement, or (ii) final resolution of all matters related to this Agreement is closed, or (iii) for such longer period as may be required by applicable law, regulation, policy, order, or decree.

17. NON-DISCRIMINATION

17.1. Non-Discrimination. Airline agrees to comply with pertinent statutes, Executive Orders, and such rules as are promulgated to ensure that no person shall, on the grounds of race, creed, color, national origin, sex, age, or disability, be excluded from participating in any activity conducted with or benefiting from Federal assistance. If Airline transfers its obligation to another, the transferee is obligated in the same manner as Airline.

17.1.1. This provision obligates Airline for the period during which the property owned, used, or possessed by Airline and JMAA remains obligated to the Federal Aviation Administration. This provision is in addition to that required by Title VI of the Civil Rights Act of 1964.

17.2. During the performance of the Agreement, Airline, for itself, its assignees, and successors in interest agrees as follows:

17.2.1. Compliance with Regulations. Airline shall comply with the Title VI List of Pertinent Nondiscrimination Acts and Authorities ("Acts"), as they may be amended from time to time, which are herein incorporated by reference and made a part of this contract.

17.2.2. Non-discrimination. Airline, with regard to the work performed by it during the Agreement, will not discriminate on the grounds of race, color, or national origin in the selection and retention of subcontractors, including procurements of materials and leases of equipment. Airline will not participate directly or indirectly in the discrimination prohibited by the Non-discrimination Acts and Authorities, including employment practices, when the Agreement covers any activity, project, or program set forth in Appendix B of 49 CFR Part 21.

17.2.3. Solicitations for Subcontractors, Including Procurements of Materials and Equipment. In all solicitations either by competitive bidding or negotiation made by Airline for work to be performed under a subcontractor, including procurements of materials, or leases of equipment, each potential subcontractor supplier will be notified by Airline of Airline's obligations under this Agreement and the Non-discrimination Acts and Authorities on the grounds of race, color, or national origin.

17.2.4. Information and Reports. Airline will provide all information and reports required by the Acts, the Regulations, and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by JMAA or the FAA to be pertinent to ascertain compliance with such Non-discrimination Acts and Authorities and instructions. Where any information required of Airline is in the exclusive possession of another who fails or refuses to furnish this information, Airline shall so certify to JMAA or the FAA, as appropriate, and

Attachment: Request approval of ad valorem tax exemption requests for 2022 tax year Goodwill;Ever Reaching Community; Mississippi

will set forth what efforts it has made to obtain the information.

17.2.5. Sanctions for Noncompliance. In the event of Airline's noncompliance with the non-discrimination provisions of this Agreement, JMAA will impose such contract sanctions as it or the FAA may determine to be appropriate, including, but not limited to, canceling, terminating, or suspending this Agreement, in whole or in part.

17.2.6. Incorporation of Provisions. Airline will include the provisions of paragraphs 17.2.1 through 17.2.6 in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Acts, the Regulations, and directives issued pursuant thereto. Airline will take action with respect to any subcontract or procurement as JMAA, or the FAA may direct as a means of enforcing such provisions, including sanctions for noncompliance. Provided, that Airline becomes involved in, or is threatened with, litigation with a subcontractor or supplier because of such direction, Airline may request JMAA to enter into such litigation to protect the interests of JMAA. In addition, Airline may request the United States to enter into the litigation to protect the interests of the United States.

19. GENERAL PROVISIONS

19.1. Assignment. Airline shall not assign, sublet or otherwise transfer this Agreement or any interest herein or allow the same to be assigned by operation of law or otherwise without the prior written consent of JMAA. Should JMAA approve any such assignment, sublease or transfer by Airline, it is expressly acknowledged, confirmed, and agreed that JMAA may, at its option, require such assignor, sublessee or party to pay a reasonable fee, charge, and/or rental, as the case may be, for the privilege and right to exercise rights granted to Airline hereunder, and, additionally, require such assignor, sublessee, or party to enter into a written agreement with JMAA covering and confirming the scope of such rights and privileges, notwithstanding anything to the contrary herein. Nothing contained herein shall preclude Airline from assigning this Agreement to an entity with whom Airline may merge or consolidate or to an entity that may succeed to all or substantially all of the Airline's assets upon JMAA consent which shall not be unreasonably withheld.

19.2. Independent Contractor. Airline shall, at all times, be regarded as an independent contractor and shall at no time act as agent for JMAA. Nothing contained herein shall be deemed or construed by JMAA, Airline, or any third party as creating the relationship of principal and agent, partners, joint ventures, or any other similar such relationship between JMAA and Airline. Neither the method of computation of rentals, fees, or other charges, nor any other provision contained herein, nor any acts of JMAA or Airline hereunder creates or shall be deemed to create a relationship other than the independent relationship of JMAA and Airline.

19.3. Approvals. Whenever this Agreement calls for the approval by JMAA, such approval shall be given in writing by the Chief Executive Officer or his designee and shall not be unreasonably withheld, conditioned, or delayed.

19.4. Plans and Specifications. No approval by JMAA of any plans, drawings, specifications, or otherwise required herein shall infer or be implied to include the

Attachment: Request approval of ad valorem tax exemption requests for 2022 tax year Goodwill;Ever Reaching Community; Mississippi

approval of architectural or engineering design or compliance with applicable laws or codes. JMAA, by approving such plans, drawings, and specifications, assumes no liability or responsibility therefor or for any defect in any structure or Improvement constructed according to such plans and specifications.

19.5. United States Requirements. This Agreement is subject and subordinate to the provisions of any agreement currently existing or hereafter made between JMAA and the United States Government relative to the operation or maintenance of JAN, the execution of which was required or is required as a condition precedent to the transfer of federal rights or property to JMAA for airport purposes, or the expenditure of federal funds for the improvement or development of JAN.

19.6. Government Facilities. If funds for the provision, maintenance, and operation of the control tower, instrument landing system, ground control approach, or other navigational aids or facilities required or permitted by the United States Government and needed by Airline for the conduct and operation of an Air Transportation System which are now or may hereafter be furnished by the United States Government are discontinued, JMAA shall not be required to furnish such facilities.

19.7. Aerial Approaches. JMAA reserves the right to take any action it considers necessary to protect the aerial approaches of JAN against obstruction or interference, together with the right to prevent Airline from erecting, or permitting to be erected, any building or other structure on or adjacent to JAN which, in the opinion of JMAA, would limit the usefulness of JAN or constitute a hazard to aircraft.

19.8. Relocation. JMAA reserves the right, upon not less than thirty (30) days' prior written notice to Airline, from time to time to change the location of the Demised Premises, provided any substitution of space is substantially equivalent in size, location, and usage to the premises Airline is leasing from JMAA hereunder. In the event, JMAA makes such a relocation, all mutually agreed costs of the relocation, including any construction costs for preparing the substitute space for Airline's occupancy, shall be paid by JMAA.

19.9. Bankruptcy. If at any time any proceeding in bankruptcy or under the Bankruptcy Code (Title 11 of the United States Code), as now in effect or as hereafter amended, shall be instituted by Airline, or if a petition for relief is granted against Airline in an involuntary bankruptcy proceeding, Airline shall pay, as adequate protection payments the rentals, fees, and other charges due hereunder until such time Airline elects to assume or reject this Agreement. If, in such event, Airline fails to make any such payments, (i) this Agreement shall be deemed to be rejected so that the Agreement will be terminated and JMAA shall have a claim against Airline for the rentals, fees, and other charges then due JMAA hereunder, and (ii) JMAA shall be entitled to relief from the automatic stay to enforce its rights under the terms of this Agreement.

19.10. No Waiver. No delay or omission by JMAA in exercising any right, power, or remedy hereunder or otherwise afforded by contract, at law, in equity or by statute, shall

Attachment: Request approval of ad valorem tax exemption requests for 2022 tax year Goodwill;Ever Reaching Community; Mississippi

constitute an acquiescence therein, impair any other right, power, or remedy hereunder, or otherwise afforded by contract, at law, in equity, or by statute, or operate as a waiver of such right, power, or remedy. No waiver by JMAA of any default by Airline hereunder shall operate as a waiver of any other default or the same default on a future occasion.

19.11. Headings. The article and section headings contained in this Agreement are inserted for convenience of reference only, and shall not be construed as defining, limiting, extending, or describing the scope of this Agreement, any article or section hereof, or the intent of any provision hereof.

19.12. Severability. If any provision of this Agreement, or the application thereof to any person or circumstance, shall be held invalid or unenforceable under any applicable law, such invalidity or unenforceability shall not affect any other provision of this Agreement that can be given effect without the invalid or unenforceable provision, or the application of such provision to other persons or circumstances, and, to this end, the provisions hereof are severable.

19.13. Waiver of Claims. Airline hereby waives any claim against JMAA for loss of anticipated profits caused by or resulting from any suit or proceeding directly or indirectly attacking the validity of this Agreement or any part thereof, or by any judgment or award in any suit or proceeding declaring this Agreement null, void, voidable, or delaying the same or any part thereof from being carried out, so long as JMAA is diligently and in good faith contesting any such suit, proceeding, judgment, or award.

19.14. Incorporation of Exhibits. All exhibits referred to in this Agreement are intended to be and hereby are specifically made a part of this Agreement.

19.15. Incorporation of Required Provisions. JMAA and Airline incorporate herein by this reference all provisions lawfully required to be contained herein by any governmental body or agency.

19.16. Nonexclusive Right. Nothing contained herein shall grant, or be deemed to grant, Airline the exclusive right to provide an Air Transportation System at JAN. JMAA reserves the right, at its sole discretion, to grant others certain rights and privileges at JAN, which are identical in whole or in part to those granted to Airline hereunder.

19.17. Binding Effect. All terms, covenants, and conditions of this Agreement shall be binding upon and inure to the respective benefit of JMAA and Airline, their respective officers, employees, agents, representatives, contractors, subcontractors, licensees, and invitees, as the case may be.

19.18. Right to Amend. If the FAA or its successors require modifications or changes in this Agreement as a condition precedent to the granting of funds for the improvement of JAN or otherwise, Airline shall make such amendments, modifications, revisions,

Attachment: Request approval of ad valorem tax exemption requests for 2022 tax year Goodwill;Ever Reaching Community; Mississippi

supplements, or deletions of any of the terms, conditions, or requirements of this Agreement as may be reasonably required. All expenses of or to Airline resulting from such amendments, modifications, revisions, supplements, or deletions shall be determined upon consultation with Airline and upon the mutual agreement of Airline and JMAA.

19.19. Rules and Regulations. JMAA shall at all times have the right to adopt and enforce uniform, reasonable and non-discriminatory rules, regulations, and standards with respect to the use of JAN and any portions thereof, including, without limitation, the Demised Premises; provided, however, that such rules, regulations, and standards shall be consistent with safety and security and with all relevant rules, regulations, and orders of the FAA and TSA with respect to operations at JAN and with the provisions of this Agreement. Airline shall comply with reasonable promptness after being advised thereof with all applicable rules, regulations, and directives pertaining to JAN now in existence or hereafter promulgated by JMAA in that Airline shall have the opportunity to provide comments on any such changes prior to their promulgation and JMAA will take Airline comments into consideration prior to promulgation.

19.20. Time. Time is of the essence regarding each and every provision of this Agreement.

19.21. Force Majeure. Neither JMAA nor Airline shall be deemed in violation of this Agreement if prevented from performing any of the obligations hereunder by reason of strikes, lockouts, labor disputes, embargoes, acts of God, inability to obtain labor or materials or reasonable substitutes for labor materials, governmental restrictions, governmental regulations, governmental controls, judicial orders, enemy or hostile governmental action, pandemic, epidemics, civil commotion, fire or other casualties, or any other similar circumstances of force majeure for which JMAA or Airline is not responsible, and which are not within JMAA's or Airline's control.

19.22. Fees and Rentals. Nothing contained herein shall restrict, or be deemed to restrict, JMAA's right to institute charges, rentals, or fees to other persons or entities for (i) the privilege of using or improving JAN or any portion or facilities thereof or space therein, (ii) the privilege of supplying goods, commodities, things, services, or facilities at JAN, and (iii) making available services to be furnished by JMAA at JAN.

19.23. Governing Laws, Venue, and Jurisdiction. This Agreement and the rights and obligations of JMAA and Airline hereunder shall be construed in accordance with and governed by the laws of the State of Mississippi, without regard to the principles of conflict of law. Any legal action or proceeding with respect to this Agreement shall be brought only in the state or federal courts of competent jurisdiction in Mississippi. By execution and delivery of this Agreement, Airline hereby irrevocably accepts for itself and in respect of its property, generally and unconditionally, the jurisdiction of the aforesaid courts. Airline hereby irrevocably waives any objection which it may now or hereafter have to the laying of the venue of any of the aforesaid actions or proceedings arising out of or relating to this Agreement brought in the courts referenced above and hereby further irrevocably waives and agrees not to plead or

claim in any such court that any such action or proceeding brought in any such court has been brought in an inconvenient forum, improper forum or improper jurisdiction.

19.24. Understanding. JMAA and Airline acknowledge that they have thoroughly read this Agreement, all exhibits, and attachments hereto, and have sought and received competent advice and counsel necessary for them to form a full and complete understanding of all rights and obligations herein.

19.25. Entire Agreement. This Agreement contains the entire agreement between the parties relating to the subject matter hereof and supersedes all oral statements and prior writings with respect hereto and may be altered, amended, or modified only by a written document executed by JMAA and Airline.

19.26. Interpretation. This Agreement shall not be construed or interpreted in favor of or against JMAA or Airline based on draftsmanship or preparation hereof.

Keith Hicks
Rankin County Human Resource Agency
Brandon, MS

Dear Mr. Hicks:

We are pleased to confirm our understanding of the services we are to provide Rankin County Human Resource Agency for the year ended April 30, 2022. We will audit the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information, including the related notes to the financial statements, which collectively comprise the basic financial statements of Rankin County Human Resource Agency as of April 30, 2022and for the period October 1, 2021 through April 30, 2022. Accounting standards generally accepted in the United States of America provide for certain required supplementary information (RSI), such as management's discussion and analysis (MD&A), to supplement Rankin County Human Resource Agency's basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to Rankin County Human Resource Agency's RSI, in accordance with auditing standards generally accepted in the United States of America. These limited procedures will consist of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We will not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance. The following RSI is required by U.S. generally accepted accounting principles and will be subjected to certain limited procedures, but will not be audited:

1. Management's Discussion and Analysis
2. Budgetary Comparison Schedules and corresponding notes
3. Schedule of the Agency's Contributions (PERS)
4. Schedule of the Agency's Proportionate Share of the Net Pension Liability (PERS)

If management decides not to prepare MD&A, we will disclose the absence of MD&A in our report.

Attachment: Engagement Letter for Rankin County Human Resource Agency's Audited Financial Statements for Year Ended April 30, 2022

We have also been engaged to report on supplementary information other than RSI that accompanies Rankin County Human Resource Agency's financial statements. We will subject the following supplementary information to the auditing procedures applied in our audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America, and we will provide an opinion on it in relation to the financial statements as a whole in a report combined with our auditors' report on the financial statements:

Schedule of Expenditures of Federal Awards

Audit Objectives

The objective of our audit is the expression of opinions as to whether your basic financial statements are fairly presented, in all material respects, in conformity with U.S. generally accepted accounting principles and to report on the fairness of the supplementary information referred to in the second paragraph when considered in relation to the basic financial statements taken as a whole. Our audit will be conducted in accordance with standards generally accepted in the United States of America and the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and will include tests of the accounting records of Rankin County Human Resource Agency and other procedures we consider necessary to enable us to express such statements. We will issue a written report upon completion of our audit of Rankin County Human Resource Agency's financial statements. Our report will be addressed to the Board of Directors of Rankin County Human Resource Agency. We cannot provide assurance that unmodified opinions will be expressed. Circumstances may arise in which it is necessary for us to modify our opinions or add emphasis-of-matter or other-matter paragraphs. If our opinions are other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed opinions, we may decline to express opinions or issue reports, or may withdraw from this engagement.

We will also provide a report (that does not include an opinion) on internal control related to the financial statements and compliance with the provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a material effect on the financial statements as required by *Government Auditing Standards*. The report on internal control and on compliance and other matters will include a paragraph that states (1) that the purpose of the report is solely to describe the scope of testing of internal control and compliance, and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control on compliance, and (2) that the report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. The paragraph will also state that the report is not suitable for any other purpose. If during our audit we become aware that Rankin County Human Resource Agency is subject to an audit requirement that is not encompassed in the terms of this engagement, we will communicate to management and those charged with governance that an audit in accordance with U.S. generally accepted auditing standards and the standards for financial audits contained in *Government Auditing Standards* may not satisfy the relevant legal, regulatory, or contractual requirements.

Audit Procedures—General

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; therefore, our audit will involve judgment about the number of transactions to be examined and the areas to be tested. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We will plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the government or to acts by management or employees acting on behalf of the government. Because the determination of waste and abuse is subjective, *Government Auditing Standards* do not expect auditors to perform specific procedures to detect waste or abuse in financial audits nor do they expect auditors to provide reasonable assurance of detecting waste or abuse.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, an unavoidable risk exists that some material misstatements may exist and not be detected by us, even though the audit is properly planned and performed in accordance with U.S. generally accepted auditing standards and *Government Auditing Standards*. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements. However, we will inform the appropriate level of management of any material errors, fraudulent financial reporting, or misappropriation of assets that comes to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential. Our responsibility as auditors is limited to the period covered by our audit and does not extend to later periods for which we are not engaged as auditors.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts and may include test of the physical existence of inventories, and direct confirmation of receivables and certain other assets and liabilities by correspondence with selected individuals, funding sources, creditors, and financial institutions. We will request written representations from your attorneys as part of the engagement, and they may bill you for responding to this inquiry. At the conclusion of our audit, we will require certain written representations from you about your responsibilities for the financial statements' compliance with laws, regulations, contracts, and grant agreements; and other responsibilities required by generally accepted auditing standards.

Audit Procedures—Internal Control

Our audit will include obtaining an understanding of the government and its environment, including internal control, sufficient to assess the risks of material misstatement of the financial statements and to design the nature, timing, and extent of further audit procedures. Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the financial statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to *Government Auditing Standards*.

An audit is not designed to provide assurance on internal control or to identify significant deficiencies or material weaknesses. Accordingly, we will express no such opinion. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under AICPA professional standards, *Government Auditing Standards*.

Audit Procedures--Compliance

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of Rankin County Human Resource Agency's compliance with the provisions of applicable laws, regulations, contracts, agreements and grants. However, the objective of our audit will not be to provide an opinion on overall compliance and we will not express such an opinion in our report on compliance issued pursuant to *Government Auditing Standards*.

Other Services

We will also assist in preparing the financial statements and related notes of Rankin County Human Resource Agency in conformity with U.S. generally accepted accounting principles based on information provided by you. These nonaudit services do not constitute an audit under *Government Auditing Standards* and such services will not be conducted in accordance with *Government Auditing Standards*. We will perform the services in accordance with applicable professional standards. The other services are limited to the financial statement services previously defined. We, in our sole professional judgment, reserve the right to refuse to perform any procedure or take any action that could be construed as assuming management responsibilities.

Management Responsibilities

Management is responsible for designing, implementing, establishing and maintaining effective internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error, and for evaluating and monitoring ongoing activities to help ensure that appropriate goals and objectives are met; following laws and regulations; and ensuring that management and financial information is reliable and properly reported. Management is also responsible for implementing systems designed to achieve compliance with applicable laws, regulations, contracts, and grant agreements. You are also responsible for the selection and application of accounting principles; for the preparation and fair presentation in the financial statements and all accompanying information in conformity with U.S. generally accepted accounting principles and for compliance with applicable laws and regulations and the provisions of contracts and grant agreements.

Management is also responsible for making all financial records and related information available to us and for the accuracy and completeness of that information. You are also responsible for providing us with (1) access to all information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, including identification of all related parties and all related-party relationships and transactions, (2) additional information that we may request for the purpose of the audit, and (3) unrestricted access to persons within the government from whom we determine it necessary to obtain audit evidence.

Your responsibilities include adjusting the financial statements to correct material misstatements and confirming to us in the written representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements of each opinion unit taken as a whole.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the government involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the government received in communications from employees, former employees, grantors, regulators, or others. In addition, you are responsible for identifying and ensuring that the government complies with applicable laws, regulations, contracts, agreements, and grants, and for taking timely and appropriate steps to remedy fraud and noncompliance with provisions of laws, regulations, or contracts or grant agreements that we report.

You are responsible for the preparation of the supplementary information, which we have been engaged to report on, in conformity with U.S. generally accepted accounting principles. You agree to include our report on the supplementary information in any document that contains and indicates that we have reported on the supplementary information. You also agree to include the audited financial statements with any presentation of the supplementary information that includes our report thereon or make the audited financial statements readily available to users of the supplementary information no later than the date the supplementary information is issued with our report thereon. Your responsibilities include acknowledging to us in the written representation letter that (1) you are responsible for presentation of the supplementary information in accordance with GAAP; (2) that you believe the supplementary information, including its form and content, is fairly presented in accordance with GAAP; (3) that the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the supplementary information.

Management is responsible for establishing and maintaining a process for tracking the status of audit findings and recommendations. Management is also responsible for identifying and providing report copies of previous financial audits, attestation engagements, performance audits, or other studies related to the objectives discussed in the Audit Objectives section of this letter. This responsibility includes relaying to us corrective actions taken to address significant findings and recommendations resulting from those audits, attestation engagements, performance audits, or other studies. You are also responsible for providing management's views on our current findings, conclusions, and recommendations, as well as your planned corrective actions, for the report, and for the timing and format for providing that information.

You agree to assume all management responsibilities relating to the financial statements and related notes and any other nonaudit services we provide. You will be required to acknowledge in the management representation letter our assistance with preparation of the financial statements and related notes and that you have reviewed and approved the financial statements and related notes prior to their issuance and have accepted responsibility for them. Further, you agree to oversee the nonaudit services by designating an individual, preferably from senior management, with suitable skill, knowledge, or experience; evaluate the adequacy and results of those services; and accept responsibility for them.

Engagement Administration, Fees, and Other

We may from time to time, and depending on the circumstances, use third-party service providers in serving your account. We may share confidential information about you with these service providers, but remain committed to maintaining the confidentiality and security of your information. Accordingly, we maintain internal policies, procedures, and safeguards to protect the confidentiality of your personal information. In addition, we will secure confidentiality agreements with all service providers to maintain the confidentiality of your information and we will take reasonable precautions to determine that they have appropriate procedures in place to prevent the unauthorized release of your confidential information to others. In the event that we are unable to secure an appropriate confidentiality agreement, you will be asked to provide your consent prior to the sharing of your confidential information with the third-party service provider. Furthermore, we will remain responsible for the work provided by any such third-party service providers.

We understand that your employees will prepare all cash, accounts receivable, or other confirmations we request and will locate any documents selected by us for testing.

We will provide copies of our reports to Rankin County Human Resource Agency; however, management is responsible for distribution of the reports and the financial statements. Unless restricted by law or regulation, or containing privileged and confidential information, copies of our reports are to be made available for public inspection.

The audit documentation for this engagement is the property of Windham and Lacey, PLLC, and constitutes confidential information. However, subject to applicable laws and regulations, audit documentation and appropriate individuals will be made available upon request and in a timely manner to the Mississippi Office of the State Auditor or its designee, a federal agency providing direct or indirect funding, or the U.S. Government Accountability Office for purposes of a quality review of the audit, to resolve audit findings, or to carry out oversight responsibilities. We will notify you of any such request. If requested, access to such audit documentation will be provided under the supervision of Windham and Lacey, PLLC personnel. Furthermore, upon request, we may provide copies of selected audit documentation to the aforementioned parties. These parties may intend, or decide, to distribute the copies or information contained therein to others, including other governmental agencies.

The audit documentation for this engagement will be retained for a minimum of five years after the report release or for any additional period requested by the Mississippi Office of the State Auditor. If we are aware that a federal awarding agency or auditee is contesting an audit finding, we will contact the party(ies) contesting the audit finding for guidance prior to destroying the audit documentation. Tom Windham, CPA, is the engagement partner and is responsible for supervising the engagement and signing the report. Our fee for these services will be at our standard hourly rate plus out-of-pocket costs (such as report reproduction, word processing, postage, travel, copies, telephone, etc.) and is anticipated to be $16,000.00, plus up to an additional $6,500.00 for the Single Audit work for a total of $22,500.00. If management decides not to prepare MD&A, we will reduce our fee by $500.00. If we elect to terminate our services for nonpayment, our engagement will be deemed to have been completed upon written notification of termination, even if we have not completed our report(s). You will be obligated to compensate us for all time expended and to reimburse us for all out-of-pocket costs through the date of termination. The above fee is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the audit. If significant additional time is necessary, we will discuss it with you and arrive at a new fee estimate before we incur the additional costs.
