Honorable Steve Gaines
Rankin County District Four Supervisor
211 E. Government Street

Dear Mr. Gaines,

During the month of September, 2025, Don Howell, because of work obligations, resigned as a commissioner of the Evergreen Fire Protection District.

All software updates will be delivered to you electronically. Delta shall provide installation instructions and/or telephone assistance for loading updates as appropriate. Delta shall not be responsible for maintaining any of your modifications. Corrections of difficulties or defects traceable to your errors or system changes will be billed at triple the standard rate.

Client's Obligations

Client shall provide copies of all pertinent documentation and shall assist Delta in understanding the new requirements and developing a method of meeting the requirements. During the term of the software support agreement, Client shall at Client's expense, provide Delta with secure telnet and ftp internet access to Client's server from Delta's server for the purpose of diagnosing problems and to facilitate software updates.

General Terms

Unless terminated earlier in accordance with the terms hereof, this contract shall commence on the Commencement Date and shall continue for a duration of one (1) year (the "Initial Term"). After the Initial Term, this contract shall automatically renew for successive one (1) year periods (each a "Renewal Term") subject to Delta's then-current pricing unless either party provides written notice to the other party of its intention not to renew within ninety (90) days of the end of the then-current term. The initial term and each Renewal Term shall collectively be referred to as "Term". Fees for software support shall be payable monthly or annually in advance. A penalty of 1.5 percent per month of the outstanding balance will be assessed to accounts that remain past due more than 60 days. Delta reserves the right to withhold services for any account which is past due more than 60 days.

Client shall be responsible for all incidental costs such as mail, telephone, travel and subsistence in connection with support services.

Client shall use Delta's prescribed reporting procedures to outline software problems.

Delta reserves the right to modify its fees by providing notice of such 60 days prior to the renewal period.

Services provided by Delta that are above and beyond the scope of this agreement shall be billable at Delta's current rate at the time such services are rendered.

This agreement is binding on the parties hereto and their successors, and to Seller's assigns, sub-lessees and transferees.

Completion Criteria

When the Services or Project detailed in this SOW have been completed and demonstrated through satisfactory UAT or otherwise, the Project will be considered complete and RJ Young Company will provide to Customer a solutions delivery and acknowledgement, or similar form or document (each a "Completion Notice"). Despite the previous sentence, RJ Young Company will have fulfilled its obligations under this SOW when any one of the following first occurs:

- RJ Young Company completes the Services or Project described in this SOW and provides a Completion Notice.
- This SOW is terminated in accordance with Terms and Conditions applicable to this SOW. In this case, RJ Young Company will invoice, and Customer will be responsible, for actual hours worked and expenses incurred up to the date of termination. Hardware and software purchases are governed by their own separate agreements and are not included in this definition.

No later than 5 business days after Customer's receipt of the Completion Notice, Customer shall: (i) accept the Services or Project by signing the Completion Notice (or so inform RJ Young Company in other writing, including email); or (ii) if the Project or Services contains material defects or fails to conform to the specifications, reject the Project or Services, in which event, Customer shall provide to RJ Young Company a reasonably detailed written statement outlining the basis for its rejection. In the event of rejection by Customer and written notice in accordance with the procedure above, RJ Young Company shall promptly correct the defect set forth in the written statement and redeliver the Project or Services within a reasonable period of time. Customer shall, as soon as reasonably practicable after such redelivery (but in no event later than 5 business days thereafter), accept or reject the redelivery in accordance with the procedure set forth above, which procedure shall be repeated until the Project or Services are accepted in accordance with this section.

Change Control

RJ Young makes the best efforts to provide accurate quotes to our customers. In situations involving professional services, job details may require a change order that requires additional funding from our customers. In the event that a change order is necessary, this will be communicated to the customer and approval will be required before the job can be resumed for completion. Changes to the scope of the Project or Services shall be made only in a written CO acknowledged by both parties. RJ Young Company shall have no obligation to commence work in connection with any change until the fee and/or schedule impact of the change and all other applicable terms are agreed upon by both parties in writing. The following is the process to follow if changes to components within the scope of this SOW are required.

- A CO will be the vehicle for communicating change. The CO must describe the change, the reason for the change, and the effect the change will have on the Project or Services.
- The designated Project lead of the requesting party will review the proposed change and determine whether to submit the request to the other party.
- Both the RJ Young Company and the Customer Project leads will review the proposed change and approve it for further investigation. RJ Young Company will specify if there will be any charges for such investigation, which may be incorporated into the CO. The investigation will determine the effect that the implementation of the CO charge will have on price, schedule, and other terms and conditions of this SOW.
- A written CO must be signed by both parties to authorize the implementation of the changes.

Project Assumptions

In the event an officer assigned as an LEO of a campus is required to vacate the campus for an extended period of time due to exigent law enforcement circumstances which require the officer's present away from campus, all reasonable efforts will be undertaken by RSO to provide another officer to perform LEO duties upon the campus during the absence of the assigned officer. The District shall be notified upon the departure of any personnel that have been granted access to the "nSide" platform, RAVE panic button, and/or video system.

5. Access to the "nSide" platform, Rave panic button, and video system will be granted for the sole purpose of utilizing the technology to improve first responder success, access and effectiveness during an emergency. Access to information and the video system for the purposes of this agreement shall be subject to the provisions of the Family Educational Rights and Privacy Act and all other applicable state and federal laws.

IN THE MATTER OF APPROVAL OF EXPENDITURES OF FUNDS DEEMED NECESSARY FOR PUBLIC HEALTH, SAFETY AND WELFARE

RANKIN COUNTY BOARD OF SUPERVISORS, PETITIONER

CIVIL ACTION NO. 25-2026

DECLARATORY ORDER INSTRUCTING RANKIN COUNTY TO PAY INVOICES

THIS MATTER having come before this court on the Petition of Rankin County, Mississippi, through its Board of Supervisors and counsel thereto, for a Declaratory Judgment requiring payment of invoices submitted for emergency elevator repairs prior to issuance of purchase orders, and this Court being advised in the premises that the Petition is well taken and must be GRANTED; It is hereby ORDERED, ADJUDGED and DECREED as follows:

1. Rankin County, Mississippi, is a political subdivision of the State of Mississippi, and is subject to the purchasing laws of the State of Mississippi. This Court has jurisdiction over this matter pursuant to Miss. Code Ann. § 9-9-21.

2. Pursuant to Title 19, Section 3, Subsection 40, of the Mississippi Code, Rankin County is authorized to maintain and repair public buildings owned and controlled by Rankin County and kept accessible to the public.

3. On or about October 31, 2023, and May 6, 2024, the Rankin County Maintenance Department requested emergency elevator repairs from a vendor with whom the County maintains a contract for elevator maintenance; however, the vendor disputes that the services requested are covered by the maintenance contract. As a

Attachment: Court Order Authorizing Payment to TKE Elevator Corp. for Emergency Elevator Repairs (22374 : Acknowledgement of Court

result, the County is not able to pay for the services provided because no purchase order was issued by the County to the vendor before the services were provided. Before Rankin County could issue purchase orders, the vendor provided the emergency services and tendered invoices for payment. Copies of the invoices are attached as Exhibit "A."

4. The services provided by the vendor were necessary to carry out the County's maintenance and repair responsibilities under state law. The failure to issue purchase orders was an innocent oversight and the need to do so was not apparent to the County since there existed a repair contact in place with the vendor. Rankin County has no choice but to pay the attached invoices.

5. To protect Rankin County from a later assertion by the Office of State Auditor that Rankin County is not authorized to pay invoices for which no purchase orders were issued, this Court ORDERS the County to pay the invoices identified as Composite Exhibit "A" under the exigent circumstances and as a matter of good faith.

NOW, THEREFORE, Rankin County is ORDERED to pay the invoices, copies of which are attached hereto, despite the fact that no purchase orders were issued beforehand.

SO ORDERED THIS THE 11th DAY OF September, 2025.

Re: Request for Appointment Actions – Rankin First Board of Directors

Dear Mr. President:

On behalf of Rankin First, please accept our appreciation for the support of the Rankin County Board of Supervisors in fostering economic development across Rankin County. The financial commitments, land purchases, and other actions made or conducted by the Supervisors have contributed greatly to our recent successes. We look forward to a very bright future for economic development in Rankin County as we anticipate upcoming important announcements.

Several months ago, the service of one of the members of the Rankin First Board of Directors was terminated by the Board of Supervisors. This action left a vacancy in the board membership position held for "Supervisor District 2." The vacancy has not yet been filled. This letter shall serve as a written request to fill the vacancy in Supervisor District 2 board position by naming current "at Large board member, Randall Journeay White. Mrs. White has agreed to accept her nomination to fill the vacant Supervisor District 2 position.

By moving Randall Journeay White from her at-large board member position to Supervisor District 2 board member, there is created a vacancy in Mrs. White's former at-large board member position. We request the appointment of David A. Gibbs, Vice-President Entergy of Mississippi, to fill Mrs. White's vacant at-large position.

Please let me know if we can provide further information. We look forward to working together with the Board of Supervisors in the future toward our common goals.

Sincerely,
RANKIN FIRST
